LETUP OF RAIN LESSENS FLOOD DISASTER FEAR

Ohio River, However, Continues Rise; At 6th Highest Level in 64 Years.

By The Associated Press

CINCINNATI, April 15—Hopes of averting a major flood disaster in the Ohio river valley brightened today with forecasts of little rain for the next two days.

The Ohio, already at its sixth highest level in 64 years, still rose about four inches an hour. However, rivermen predicted only a little more damage than is usual each spring—unless there is more rain.

Two deaths—in West Virginia and Kentucky—were attributed to the swollen streams as flood conditions entered their fourth day. Meanwhile, the Red Cross cared for almost 3,800 families flooded from lowland homes in Ohio, Indiana, West Virginia and Kentucky.

Drowning victims were John Sherman (Jackie) McNally, 9, at Louisville, and Edward Smith, 17, at Sissonville, W. Va. Smith died in an attempt to recover a wild duck in Poca river. Jackie fell in Beargrass creek.

Build Emergency Levee

One grim battle against the rising Ohio was under way at Portsmouth, O., along the city's uncompleted million dollar floodwall. An emergency 1,000-foot levee two feet high is being built to piece out the floodwall designed to protect up to 77 feet when completed.

Last night Portsmouth high water neared the 60-foot stage, some four feet under the emergency wall. A tentative crest of 62 feet was expected.

A 64-foot stage was forecast for Cincinnati. This much water would cover Lunken airport and inundate many factories and business houses in that district. Some 141 families were moved out of homes there.

Across the river in Campbell County, Ky., another 500 families were evacuated yesterday. Further downstream at Louisville scores of bottomland residents fled in the face of a weather bureau forecast of 14 feet above flood stage by Sunday. The Red Cross sheltered more than 1,300 families in a 14-county area.

There seemed little danger of epidemics, although the water supply was shut off at Cynthiana, Ky.

Bridges Collapse

Bridges near Cincinnati (over Muddy creek) and Columbia, Ky., collapsed under the weight of trucks, dropping the vehicles into the water. There were no injuries.

Two engineering companies at Camp Campbell, Ky., were altered to help fight rising waters in Newport, Ky. Gov. Earle Clements of Kentucky personally asked second army headquarters for military personnel to help city employes erect sandbag barriers around sewers and manholes in unprotected areas. Engineers said sandbags might prevent flood water from backing up into sewers.

Rise Continues in Ohio

Water continued to climb in low-lying business sections of Marietta and Pomeroy, and New Cumberland, W. Va. About 300 families were evacuated at Marietta, some 600 were homeless in the tri-state area around New Cumberland and 200 in the Steubenville, O.-Wheeling, W. Va., area.

The Wheeling Intelligencer published its Thursday morning edition from the Martins Ferry, O., Times plant. Wheeling's mayor, Carl G. Bachmann, proclaimed a state of emergency after water inundated most highways in the valley.

30 Die as Plane Crashes in Eire

By The Associated Press

SHANNON AIRPORT, EIRE, April 15—A Constellation plane flying from Calcutta to New York crashed today almost a half mile short of its landing runway here and all but one of the 31 aboard perished.

Pan American World Airways said the plane, "Empress of the Skies," was making a routine instrument approach. It crashed into flaming wreckage 2,400 feet from the runway, the air line added.

The dead included 19 Americans and Sir Homa Mehta, wealthy Indian industrialist.

Marc Worst, 38, of Burbank, Calif., was the sole survivor. He said the force of the crash threw him out through the baggage compartment. His wife, waiting at the airport to meet him, witnessed the tragedy. Worst is manager of Lockheed Aviation corporation's base at Shannon. Lockheed builds the Constellations, four-engined craft costing about $1,000,000 each.

(The passenger list released in New York contained the name of George Henderson, care of the American Legation in Damascus. In Washington, the state department said it had no official word but assumed the dead man was George D. Henderson, recently transferred to Dhahran, Saudi Arabia, as an American diplomatic official.

Formerly in Rome

(Henderson formerly was second secretary of the embassy and consul in Rome. He headed a U. S. mission which pulled out of Albania in November, 1946, after 16 months of futile negotiations looking toward recognition of the government of Gen. Enver Hoxha.)

There was no immediate explanation concerning the cause of the crash. Basil Warnock, American overseas airlines stationmaster at Shannon, said weather observers reported three-mile visibility at the time of the crash—2:45 a. m. GMT (9:34 p. m. Wednesday Marion time). Other sources said the ceiling was about 400 feet.

Worst told reporters:

"We had come around once and we were making our second approach when the crash occurred. Up to this everything appeared to be normal. I was slung out through the baggage compartment but I was only slightly injured on the right hand."

Company Announcement

An announcement issued by Pan-American's traffic manager, William Fitzgerald, said:

"Pan American Clipper NC88858 Lockheed Constellation crashed and burned while landing at Shannon airport at 0234 GMT. Marc Worst, an employe of Lockheed Aircraft corporation, is the only known survivor of the disaster. Aboard the plane were 21 passengers and a crew of 10, of which 20 were American, five Italian, two Indian, one British, one French, one Pakistan and one stateless."

The crash occurred as the big plane came in for a second try at Shannon's main air strip. Witnesses said it apparently hit an obstruction, skidded along the ground for a ways and then burst into flame. The wreckage burned more than three hours.

"I don't know what happened," Warnock said, "but the pilot couldn't make it."

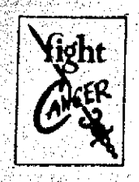
The "Empress of the Skies" claimed to have set a new trans-Atlantic record April 19, 1947, by landing here five hours and 55 minutes after leaving Gander, Newfoundland.

The last bad crash here occurred last December, when the Constellation "Star of Cairo" flew into the ground, killing 13.

CANCER DRIVE LISTS $4,200

Workers in Another Precinct Go Over Top in County Campaign.

A total of $4,200 was reported in contributions to the Marion county cancer drive when workers met for their second report meeting last night in the parish house of St. Paul's Episcopal church. Twelve precincts are yet to be heard from in the city and reports are incomplete in the special divisions and the county, Mrs. Frederick T. Merchant, a co-chairman in the house to house canvass stated today.



Mrs. Merchant presided for last night's meeting. Precinct C in the Second ward in charge of Mrs. Paul Johnson, reported contributions amounting to $77.25, placing her workers in the "over the top" bracket. The goal for this precincts was $75. Precinct C also is the second in Ward 2 to complete the canvass.

Mrs. A. B. Augenstine, chairman of the county canvass is asking that all workers report in full at the next meeting.

The drive will continue for another week, Mrs. Merchant said today, and she is announcing a final report meeting for next Wednesday night at the parish house. The meeting is scheduled for 7 o'clock.

4 More Years, Truman Says

Confident of Victory, He Discusses White House, Party Chairmen.

By The Associated Press

WASHINGTON, April 15—President Truman said today he confidently expects to spend four more years in the White House.

In a breezy news conference, the President also told reporters he had conferred this week with New York's Ed Flynn, Democratic national committeeman, and Paul Fitzpatrick, New York state party chairman.

He told reporters the two party leaders went away happy.

"Was the picture rosy or gray?" a reporter asked.

Mr. Truman said the picture was all right.

A reporter remarked that one of the newsmen who regularly cover the White House hadn't seen Flynn or Fitzpatrick come or go from the grounds.

Mr. Truman chuckled. He said he didn't intend for them to be seen.

The remark about spending four years more in the White House came during a discussion of the newly completed, south portico balcony.

Mr. Truman said he did not order the balcony for his own use, but to improve the White House's appearance. He said it follows the design Thomas Jefferson had in mind for the White House.

Fine Arts Group "Scared"

A reporter recalled that the Fine Arts commission (a Washington advisory body on development of the city) had criticized the project.

Mr. Truman said they got scared when a public controversy got started and the people began throwing bricks at them.

As for himself, he said he did not scare as easily.

A newsman asked whether that statement could be interpreted politically. The President replied that the reporters could use their own judgment.

He said he anticipated using the porch during the next four years if he had the time to do so. He said he put in a pretty full

OHIO AUDIENCE HEARS STASSEN

Tells College Group War Is Not Inevitable; Taft Coming to Home State.

By The Associated Press

HIRAM, O., April 15—Harold E. Stassen told a mock Republican convention at Hiram college today "we must never surrender to the insidious whisper that war is inevitable."

Making his second trip into Ohio in quest of 23 of its 53 presidential delegates following triumphs in Wisconsin and Nebraska, Stassen concentrated on the possibilities of keeping peace in his talk for some 700 students.

"Clearly there is a world menace to liberalism," he said, "manifesting itself in Russian Communism and in the face of that threat there are two extremes of action."

Rejecting both, Stassen said they were "appeasement" and the assumption that war is inevitable.

"You can not pave the road to peace with jelly-like blocks of appeasement," he continued. "On the other hand, if we once conclude in America World War III is inevitable then it becomes inevitable.

"We must never surrender to the insidious whisper that war is inevitable."

He said the United States should go on an "offensive of ideas" entailing: "Outlawing the Communist party and strengthening the United Nations "by calling a convention to end the veto and establishing an international police force."

On the latter proposal, he conceded the "outlook for agreement in that respect is not bright."

From here, Stassen plans to move to Youngstown for noon, afternoon and evening speeches. Gov. Thomas A. Dewey's candidacy at the college convention was to be represented by John E. Burton, budget director for New York state. Paul Walter, Cleveland attorney, was to speak for Taft.

Stassen's victory in Nebraska prompted his Ohio campaign manager, Earl E. Hart, to predict he would win 10 to 12 of the state's 53 convention delegates.

Taft Coming To Ohio Tonight

By The Associated Press

WASHINGTON, April 15—Senator Robert A. Taft laid plans today for an all-out effort to choke off Harold E. Stassen's delegate-winning streak when the two tangle in Ohio's May 4 Republican presidential primary.

The Ohio senator told a reporter he frankly is both puzzled and disappointed by his poor third showing in Tuesday's Nebraska ballot battle.

"But I'm quite confident that

Upper Sandusky Claims Body of S/Sgt. Richard McClain.

Special to The Star

UPPER SANDUSKY, April 15—Services for Richard F. McClain, son of Mr. and Mrs. Roy McClain of southeast of Upper Sandusky, will be at 2:30 p. m. Monday from the Bringman & Co. funeral home, with burial in Old Mission cemetery here. Rev. F. W. Hoffman, pastor of Emanuel Evangelical and Reformed church will officiate.

A member of the Anti-Tank division of Seventh Army, S/Sgt. Richard McClain was killed in action in eastern France, Nov. 16, 1944. His body was recently returned from the military cemetery at Epinal, France aboard the army transport, the Robert F. Burns.

Color bearers and color guards at the rites will be members of the Upper Sandusky American Legion post.

Born in Pitt township, Wyandot county, Richard was a graduate of Upper Sandusky High school in 1941. Surviving with the parents are three brothers, Edwin McClain, of east of Upper Sandusky, Franklin and Joseph McClain at home; two sisters, Marilyn and Rosalie McClain, both at home; three grandparents, Mr. and Mrs. Edwin Grundisch and Charles McClain, all of Upper Sandusky.

U.S. CALLS IT A CLEAR CASE OF CONTEMPT

Defense Offers One Sentence Argument—"Government Failed To Prove."

By The Associated Press

WASHINGTON, April 15—Judge T. Alan Goldsborough today heard arguments in the John L. Lewis contempt trial and put off any decision until Monday.

Assistant Attorney General H. Graham Morison argued for the government that Lewis and the United Mine Workers were clearly in contempt of court for continuing a coal mine work stoppage for a week after a court order was issued for it to end.

Attorneys for Lewis made only a one sentence argument:

"The government has failed to prove its case."

That came from Welly K. Hopkins, chief of the eight-man battery of counsel Lewis has.

Goldsborough then adjourned court until Monday.

Now the only thing left in the contempt case is the judge's ruling—and the punishment if the ruling is for conviction.

When court was adjourned, Hopkins and Lewis went into a whispered huddle. Then the mine chief and his small army of lawyers filed silently out of the room.

Assails Lewis Argument

In his argument, Morison hit hard at Lewis' position that no coal strike ever was called.

The government attorney said that contention was an "affront to common sense."

Morison told Goldsborough a finding of guilt "is the only one consistent with the undisputed facts."

It has been shown, he said, that no action was taken by the union or its president on a court order for a resumption of work in the mine fields for seven days after it was issued.

The order was served on Lewis April 6. Exactly one week later, he instructed his miners to go back to work. Those instructions went out after he had agreed to a compromise plan providing $100 a month pensions at age 62 to miners with 20 years service.

A dispute over pensions preceded the walkout March 15.

Calls Testimony Indisputable

"Beyond cavil or discussion" Morison said, "the testimony points directly to the fact that these defendants did not comply with the order of this court and that they, and each of them, are guilty of criminal and civil contempt beyond a reasonable doubt."

If Goldsborough found them in contempt, he could levy almost any penalty—in fines or imprisonment. He is the judge who ruled Lewis was in contempt in 1946 for disregarding a court's stop-strike order. That time he fined Lewis $10,000 and the union $3,500,000. The supreme court cut the union's fine to $700,000 but let Lewis's stand.

At the time of that sentencing Goldsborough said he frankly leaned toward a jail sentence for the UMW president but was bowing to government fears that such a move might cast Lewis in a martyr's role.

The first inclination led to wide speculation that if the judge finds Lewis guilty again he might choose to follow his original leaning with either an actual or a suspended jail sentence.

A suspended sentence would keep Lewis in the shadow of prison bars when the union's soft coal contract runs out June 30.

Another dispute then—perhaps even over the pension issue since Monday's settlement was only tentative.

Goldsborough gave no advance indication he would rush to fix the penalty if his verdict is guilty.

In fact it was he who stretched the trial into its second day after both sides had been willing to wind up their cases yesterday afternoon.

There was no defense testimony.

JUDGE GOLDSBOROUGH
Will he impose a jail sentence?

FARMER, MERCHANT PICNIC SCHEDULED

Countywide Event Sponsored by C. of C. Committee.

Paul L. Felder, chairman of the retail promotion committee of the Marion Chamber of Commerce today announced the committees who will direct arrangements for Marion county's own big farmers' and merchants' picnic to be held Wednesday, July 14.

Master of ceremonies will be President Robert T. Mason of the Chamber of Commerce, assisted by Anson Pickerel and Harold J. Grigsby.

The location of the affair will be selected by Bert Freed and Harold Carroll.

Concessions will be directed by R. C. Douthett and Leonard McNail, while radio shows and broadcasting of events will be directed by Clark Dozer.

A "county queen" popularity contest between girls of Marion and girls from other sections of the county will be organized under the direction of the Chamber's agriculture committee, county extention agent and Grange masters.

The events committee is headed by Anson Pickerel, assisted by Ray McFarland, Elmer Slay, Walter Axthelm, Homer Waddell, O. O. Long and Robert Minard.

Traffic will be handled by Police Chief William E. Marks and Sheriff LeRoy Retterer, while publicity will be organized and directed by J. K. Staats, advertising manager of The Star, James Loeffert, also of The Star staff, Mr. Felder, and a representative to be named from the staff of WMRN.

The next meeting of the retail promotion committee will be held at 12 noon Monday, April 26, in parlor F of Hotel Harding, Mr. Felder said.

Clark Pleads Innocent In Wyandot Co. Court

Special to The Star

UPPER SANDUSKY, April 15—"Not guilty" was the plea of Paul Robert Clark of Marion when arraigned this morning before Common Pleas Judge Russell H. Kear on a grand jury indictment in the armed robbery of Reno's Recreation room here April 1.

Clark's bond was fixed at $10,000 and his trial set for 9 a. m. May 4, by Judge Kear. Clark is represented by Attorney Thomas Fetter.

Raymond Edward Littell, indicted with Clark on charges of both armed and unarmed robbery, was not arraigned this morning following a request for a postponement by his attorney, Walter D. Moore of Marion.

Wyandot County Prosecutor Russell C. Price said today Littell would probably be arraigned April 22.

Roy D. Moore Named On State Commission

By The Associated Press

COLUMBUS, O., April 15—Roy D. Moore of Canton, president of Brush-Moore Newspapers, Inc., today was appointed to the Ohio development and publicity commission for a six-year term ending April 8, 1954.

Moore, who received the appointment from Gov. Thomas J. Herbert, succeeds Dwight Hatcher of Toledo.

SOME MINERS RETURN OTHERS SCAN COURT

PITTSBURGH, April 15—A quarter of a million soft coal miners trekked back to the pits today but thousands of others sat tight, waiting "to see what the court does about John L. Lewis."

Trial of President Lewis of the United Mine Workers, on a charge of contempt of the federal court, was in its second day. Lewis refused to defend himself yesterday, either by calling witnesses, or by allowing attorneys to argue on his behalf. The government will make its final summing-up today. It charges Lewis and the UMW failed to heed a back-to-work order issued April 5.

A 29-day walkout of the miners ended officially Monday when they were granted $100 a month pensions at age 62 after 20 years in the mines.

A few hundred miners were back in the pits almost as soon as the pension plan was approved, thousands of others hurried back when they got telegrams from Lewis saying "our contract has been honored." By Tuesday the back-to-work movement had carried 100,000 miners into the pits.

Today at least a quarter million of the pension paraders were on the job, but many thousands of others remained ominously resistant.

Throughout the nation 55,000 to 60,000 steel workers have been furloughed because of the coal walkout.

CLEAR SKIES PROMISE FLOOD RELIEF HERE

Despite a break in the rainy weather several state and county highways remain closed to traffic today in Marion and neighboring counties. The Scioto and Little Scioto rivers are still above flood stage but clear skies today and forecast of fair weather tomorrow may bring hoped for relief to area residents.

The Scioto reached its peak yesterday and began to subside in the LaRue area last night. Route 95 between New Bloomington and LaRue is free from water today after being flooded in several spots yesterday, the state highway department reported this morning.

Route 203 between Prospect and Newmans is still under water and may remain closed to traffic until Saturday. County roads 29 and 38 in the DeCliff and Green Camp sections are free of water except for a few spots today.

The New Bloomington and Prospect schools, the former closed Tuesday and the latter Wednesday, are open today, it was reported at the county schools office.

In the Delaware dam area, state route 229 between Ashley and Norton in the Marlboro section remains under several feet of water. Other roads closed in that area east of Norton include the Panhandle and Horseshoe roads, blocked when the Olentangy river reached a depth of 20 feet behind the Delaware dam earlier in the week.

Engineers at the dam reported the river level dropping steadily today but predicted the reservoir area roads would be closed by high water for several days. Flood gates were not closed as clearing operations in the area north of the dam are still underway, they said.

Much brush and debris was reported swept down into the dam area by the high water during the past three days. Delaware county engineer Ray Watson indicated the debris would create a clearing problem on the flooded roads when the water goes down.

In Wyandot county, three state highways were reported still closed to traffic. Floodwaters blocked Route 53 west of Upper Sandusky, Route 294 west of Brownstown and route 103 north of Upper Sandusky.

MOTHER AND CHILD DIE FROM BURNS

Suffer Injuries While Starting Fire with Kerosene.

MT. VERNON, O., April 15—Mrs. David Oswalt, 22, and her two-year-old son, Harold, were burned fatally in a fire that destroyed their home at North Liberty yesterday.

Fire Chief Sperry Richter of Fredericktown said Mrs. Oswalt tried to start a fire with kerosene. Another son, Charles, 3, was burned less seriously. Mrs. Oswalt died today in a Mt. Vernon hospital.

Charles was taken to Mansfield General hospital.

Chief Richter said the fire destroyed the two-room frame Oswalt home.

Conditions Causing Jaundice

...en the patient with jaundice ... medical aid, the doctor must ... e whether medical or surgi... treatment is required. This is ... easy task, for jaundice is ... y a symptom and may sig... any one of a dozen dif... underlying disorders.

... immediate cause of jaun... of course, is always the ... the collection of bile in ... skin and tissues, where its ... ments or coloring matter pro... a greenish-yellow discolora... The question the doctor ... es to answer is just why the ... should be traveling through ... body in this abnormal fashion ... stead of going from the gall... der into the intestine by way ... the bile passageway.

Acute inflammation of the gall... der, with or without the for... tion of gallstones, often pro... duces jaundice. The jaundice, in ... such cases, is usually caused by ... associated inflammation of the ... ver. The inflammation results in ... edema or swelling of the tissues ... which in turn, brings about ... some blocking of the common bile ... duct. Of course, blocking of this ... duct keeps the bile from flowing ... into the intestine and, as a result ... the bile pigments get into the ... blood and tissues.

In such patients, operation may ... be delayed for a time until the ... acute inflammation clears up. ... Then removal of the gallbladder ... may be necessary.

Gallstones are another cause of ... jaundice, if one of the stones gets ... into the common bile duct and ... blocks it completely or partially. ... Complete blocking of the duct oc... curs only in about one out of ... ten cases. This condition is more ... common in women than in men, ... and especially in those between ... the ages of 45 and 60.

In addition to the jaundice, ... there may be chills and fever, as ... well as attacks of pain in the right ... upper part of the abdomen. Of ... course, treatment in such cases is ... operation and removal of the ... stone. Removal of the gallblad... der is also favored in such cases. ... Excessive vomiting in patients ... with gallbladder disease indicates ... that a stone may be present in ... the common duct.

Jaundice may also be produced ... by cancer of the liver or of any ... organ near the gallbladder since ... the growth may cause pressure ... on the bile duct. The jaundice ... produced by cancer of the liver ... itself is mild.

Infections of the liver, poison... ing with various chemicals, severe ... infections anywhere in the body, ... and a number of disorders affect... ing the blood, are also causes of ... jaundice. This is because the bile ... pigments are made from the col... oring matter in the blood; hence, ... any condition which causes the ... destruction of large numbers of ... red blood cells may lead to the ... development of jaundice. In any ... case it is not a simple problem ... and requires careful study by the ... physician.

Questions and Answers

W. N.: Does a plus 24 basal metabolic rate indicate that the thyroid is mainly responsible for nervousness?

A. Such a basal metabolic rate may indicate some disturbance of the thyroid gland. A thorough examination should be made to determine whether or not you are suffering from a toxic goitre; then proper treatment may be carried out.

Cartoonist Is Speaker At Engineers' Meeting

Bob Hines, cartoonist, "Outdoors in Ohio," and artist for state conservation department magazine, was principal speaker at a meeting of 30 members of the Marion chapter of the Ohio Society of Professional Engineers held Monday at Bun's restaurant in Delaware. Mr. Hines spoke on his recent visit to Alaska as guest of the Alaskan conservation department and drew charcoal sketches of the fish and wildlife he had seen enroute.

He was introduced by Paul Runkle, chief engineer of the headwater lake division of the conservation department. A short business session, following Mr. Hines' talk, was conducted by S. W. Kuhner, president of the Marion chapter.

FRED DUTT HEADS CAMP OF GIDEONS

Mrs. J. J. Stafford New President of Auxiliary

Fred Dutt was elected president of the Marion Camp of Gideons and Mrs. J. J. Stafford was elected president of the auxiliary at a meeting at the YMCA Tuesday night. The guest speaker was Rev. A. O. Long, pastor of the Baptist church at Prospect. Dinner, at 7 o'clock preceded the meeting.

Other officers elected include Leslie Adams, camp vice president; Mrs. Nellie McCleary, auxiliary first vice president; Mrs. Charles Feaver, auxiliary second vice president; Marion Brown, camp secretary; A. C. May, camp Bible secretary, and treasurer; Mrs. Roy Kauble, auxiliary secretary and treasurer, and Mrs. Fred Dutt, assistant; Mrs. Ben Hinamon, auxiliary Bible secretary; Merle Young, camp chaplain; and Mrs. C. Z. Zachman, auxiliary chaplain.

Harry Crowner presided, and for the separate business sessions, he and Mrs. Crowner, auxiliary president, presided. Clifford Ward led chorus singing of the entire group with Mrs. Raymond Donaugh at the piano. Mr. and Mrs. Donaugh presented special solo-vox, violin and accordion music. A vocal solo was by Mrs. J. B. Ellis, accompanied by Mrs. Paul Zachman. C. Z. Zachman and Mr. Young spoke briefly on a Gideon convention which they attended recently at Canton. Prayers were offered by Clifford Ward, Mr. Brown, Mr. Young, Mr. Zachman and Mr. Crowner.

In his message, Rev. Long stated, "We need the Bible as a mirror, to see ourselves as we actually are. The mirror of God penetrates farther than any silver mirror. There are a great many people who have never looked into the mirror of God. We need the Bible also as a map. If we ever reach God and the home which is prepared for his own people, we need a map that is reliable."

Guests with Rev. Long were Mrs. Long, Miss Arena Hinds, Mr. and Mrs. M. V. Endsley and James W. Bain.

POWER FROM ATOMIC FISSION DISCUSSED

Rotary Club Hears N. Y. Coal Co. Representative.

Taking "Is Cheap Atomic Power Coming Soon?" as his subject, H. F. Schweinsberger of New York spoke at the weekly luncheon meeting of the Rotary club Tuesday at Hotel Harding. Mr. Schweinsberger, a representative of the New York Coal Sales Co., was here in the interest of the Bituminous Coal Institute.

He said atomic power is of necessity kept under strict government control. "Any industry that does not keep in touch with nuclear fission may find itself in the backseat within the next 25 years," he declared.

Answering the question, "Is Cheap Atomic Power Coming Soon?" Mr. Schweinsberger said that unless some extraordinary discovery is made soon, neither this generation or the next will be able to use cheap atomic power. He told his audience that protection against corrosion and to protect humanity from harmful rays is one of the main difficulties. He said that if it were merely a matter of finding enough uranium, there would be no problem, for several large deposits have been found in various parts of the world. He quoted a foreign scientist as saying, "Atomic power will not supplant but may supplement our present fuel supply."

Nominations were made for members of Rotary club board of directors, and nominations will remain open for the next two meetings, after which the club's annual election will take place.

Club guests were Robert McCarthy of Columbus, E. A. Thumlert and Paul Hunt of Marion, Howard Foreman of New York City, B. O. Brayton of Burlington, Ia., and Rotarians E. W. Mikesell of Greenville, O., and W. T. McCartney of Columbus.

This week's student reporter was Mary Lou Faulkner of the Harding High school journalism class.

NORTON CLUB MEETS

Officers for the new year were elected at a meeting of the Norton 4-H club recently at the school. Margaret Howald was elected president, Mary Sue Jeanette, vice president, Marilyn Howald, secretary, Ona Howald, recreation leader, and Darlene Stevens, reporter. Plans were made for a party and program to be held April 29 at 8 p. m. at the school at which time mothers of the members will be guests. Named to serve on the menu committee are Idelphia Dutton, Darlene Jeanette and Darlene Stevens.

RECORD FREE LOT DEEDS

BUCYRUS, April 15—Twenty veterans of Crawford county were a step closer to realization of homes of their own this week as 20 deeds to land in the Michael Bibich subdivision in Crestline were recorded here. That many more are still to be recorded.

The deeds represent 40 lots in a Crestline subdivision, laid out and given away last fall by the Crestline merchant, whose name the subdivision bears.

Stassen Now a Major Possibility

THE result of Nebraska's presidential preference vote on Tuesday adds zest to the trial runs leading up to the showdown race in the Republican convention next June. That was its principal purpose.

No presidential nomination ever was bestowed by either party solely on the basis of primary voting. The primary system survives in only 17 states and has degenerated into little more than a series of regional popularity contests useful to those trying to build momentum for political bandwagons. It can't be questioned that the Nebraska vote and the preceding week's vote in Wisconsin have given Harold E. Stassen's bandwagon a push.

A bipartisan committee was organized in Nebraska this year to put the names of presidential possibilities in the preference primary without consent. Four of the seven Republicans who were listed sidestepped the maneuver by staying out of Nebraska in the pre-primary campaign. They were Senator Vandenberg, Gen. MacArthur, Governor Warren and Representative Martin.

Mr. Stassen, Senator Taft and Governor Dewey campaigned for support, a tribute to the political courage of Taft and Dewey, who estimated that Stassen would run strongly in a predominantly agricultural state in a region where he is well known.

The outcome confirmed their personal judgment that Stassen's bandwagon would get a push in Nebraska. In the case of Senator Taft, who came in a poor third, it confirmed a misgiving by observers of the Nebraska political situation that the regular Republican organization headed by Senator Butler could give him the kind of support he needed. As happened in Wisconsin the preceding week, where the regular Republican organization couldn't do any better for Governor Dewey than a bad third place in a race won by Stassen and featuring Gen. MacArthur's political debut, the regulars couldn't deliver on their promise.

Stassen's good showing in the two states has direct bearing on the Republican national convention in June. While Senator Taft and Governor Dewey are still leading contenders on the basis of their outstanding records, party positions, political influence and probable delegate strength on the convention floor, Harold E. Stassen has been added to the list of major possibilities for the Republican presidential nomination.

Springtime Trouble

THE flood waters are rolling down the network of streams that drain the Ohio valley, an almost annual occurrence that exacts millions of dollars in damage and sometimes a heavy toll of life. Waters which should be held in the hills and upland meadows run off, each larger tributary being more heavily taxed until the waters converge in dangerous crests along the major rivers.

Fortunately, the nation is becoming acutely aware of past errors in flood control. The final answer doesn't lie in evacuating lowlands every spring, nor does it lie in protecting such lowlands by levees. It lies in up-river networks of control dams, reforestation, erosion control and proper cultivation.

The Muskingum conservancy dams are doing their part in checking flood waters. However, they are only a start in a program that will cover many years and many states.

A Sales Tax Proposal

RAY T. MILLER of Cleveland suggests that Ohio's 3 per cent state sales tax be collected only on purchases of 30 cents or more, pointing out that a penny tax on a dime purchase actually is a 10 per cent tax. He also proposes removing the sales tax on medicines, household cleaning materials and personal hygiene preparations.

Many 5-and-10-cent stores already get around the inequity on small purchases by issuing punch cards so that the tax is paid on a dollar's worth of purchases rather than on each taxable transaction. Restaurants do the same by collecting on the total value of a meal ticket rather than on the cost of single meals.

However logical and just the proposals may seem, the tax will not be easily altered. More than 20 bills to change or repeal it were introduced at the last assembly session. Only one, providing for a minor administrative change, got out of committee. The tax is a certain source of steady income and when its yearly yield results in a surplus, the state can always find places to allocate the surplus.

Scanning the Record

By George E. Sokolsky

There's No Freedom from Taxes in Soviet Russia.

IF THE government owns the means of production and distribution and the wealth of a nation, as Soviet Russia does, you might imagine that the people pay no taxes: You might assume that the government owning practically everything would let their people hold on to their earnings. If that is in your mind, you are all wrong. Taxes in Soviet Russia are mighty heavy and earnings are low.

SOKOLSKY

Back in 1922, the eleventh congress of the Communist party, which owns the government of Russia and the people therein, laid down the tax policy for the future as follows:

". . . Taxation policy must aim at regulating the process of accumulating resources by means of direct taxation of property and incomes. Taxation policy is the principal instrument of the revolutionary policy of the proletariat in a transitional epoch . . ."

Taxes, however, have never been equally collected in that country. Alexander Baykov, in his "The Development of the Soviet Economic System," describes how the Kulaks (landed dirt farmers like our own) were treated, he says:

". . . With the aim of breaking their opposition to the stock procurement policy of the state, measures were taken to increase taxation, to exact the immediate payment of the agricultural tax . . . And to levy individually on Kulak households an additional agricultural tax, as well as a tax for rural, cultural and welfare needs . . ."

Special Privileges

On the other hand, in 1929-30, the collective farms were given special privileges. Also exempt, even now, are heroes of the Soviet Union, heroes of Soviet toil, any holders of U.S.S.R. awards. This includes practically all the high officials and high military men and many party members. Most of them hold many awards, which is a procedure in rising in the Soviet hierarchy.

The Soviet system of taxation makes a distinction between the rural and urban population. The urban population gets its earnings in money, whereas the rural population gets a major part of its earnings in kind, part of which they sell on the official black market. The rural population therefore pays a part of its taxes in produce and part in cash. But all categories pay an income tax which is graduated not only in amount but according to the person's occupation. Professional men and craftsmen and artisans pay more than farmers and factory workers not only comparatively on the graduated scale but absolutely because of the work they do. In a word, the tax is used for social and political purposes.

In addition to the several high national taxes, there are numerous small state (equivalent to our state taxes) and municipal and village taxes. Also, there is a category called a "self-imposed tax" which would be like our local welfare funds, except that they are not voluntary, the local Soviet determining their nature and purpose and deciding what is to be paid.

Turn-Over Tax

There is a "turn-over tax" which seems to resemble our excise and sales taxes. It yields the largest revenue in the Russian budget. Baykov describes it as follows:

"The idea embodied in the turn-over tax is to collect in the state budget the difference between the cost of production of a commodity and the price it fetches as an item in the general expenditure on consumption of society . . ." This "turn-over tax" is a mechanism used not to get revenue but to control the economic life. Baykov says:

". . . The actual cost price of these goods is equivalent to the wages paid out in the course of preparing and producing the goods. But their social cost is much greater than their immediate cost price, for it includes, apart from the expenditures on the labour employed in production, transport and the exchange of goods, also the expenditure incurred by society in remunerating labour not employed on material production, but in all those services without which any given production in modern society, or indeed the life of the individual as a member of society, would be impossible . . ."

The rates of all taxes, like ours, change from time to time. They sometimes are enormously high. The figures before me are not of this or last year and therefore I do not give them, as they may not be currently correct.

The Atlantic Union

By Joseph and Stewart Alsop

WASHINGTON

DISCUSSIONS that may some day be regarded as marking a turning point in history have been quietly going on in Washington during the last few days. They concern the future relationship between the United States and the western European union —the eventual formation, in fact, of an "Atlantic Union," which will constitute an integrated power grouping even stronger than the new Soviet empire.

The many problems involved in this gigantic task are being studied carefully by the higher staffs of the State and service departments. They have constituted a chief topic of Belgian Prime Minister Spaak's fruitful talks here. And informal preliminary contacts have already been made with the other Western union nations — Britain, France and the Netherlands — through regular diplomatic channels. With the habitual majestic slowness of diplomacy, the stage of a formal exchange of views should be reached in a week or ten days.

Even within the American administration, there are considerable differences of opinion on several major points. Eventually, there must be a treaty between the United States and the western European union, but should it be now? What is the best way to fit the projected Atlantic union into the UN framework? And how can we prevent an American military guaranty of the western European countries from seeming to leave out in the cold other nations which are actually in greater danger, such as Italy, Greece and the countries of Scandinavia. These are complex technical questions, which require most careful consideration.

Matter for Congress

Then, too, immediate proposals to congress will be made only if the senate seems sure to accept them, and even Senator Arthur H. Vandenberg has yet to be consulted. Nor can such proposals be formulated until there is agreement on the diplomatic level, and even the Western union countries have not absolutely agreed among themselves.

All want a treaty which would make the "Atlantic union" a formal grouping resting on a solid legal foundation. But the French, who always prefer everything in writing, are particularly insistent on treaty-making without delay. The British share the French view without being so insistent. And Prime Minister Spaak, representing Benelux, has placed greater emphasis on the practical than on the legal aspects. Joint planning of the defense of Europe against aggression, and mutual co-operation to provide the means for this defense, are what interest Spaak most at the moment.

The American policy-makers warmly approve Spaak's emphasis and are also troubled by two other tactical factors. First, it is important that the Western union nations should not be tempted to relinquish their own responsibilities because America has guaranteed them against aggression. Their own staffs must meet. They must make their own defense plans and decide on what and how much each of them will contribute to carrying out those plans. The need for a unified command, the need to apportion contributions of manpower, and other thorny obstacles must be surmounted. Only when all this has been done should the United States be asked for its special contribution, which will largely take the form of renewed military lend-lease. But as yet the necessary Anglo-French Benelux staff talks have not been held, and Western union's secretariat has not been appointed.

Not American Club

Again, the American policy makers do not wish Western union to become an exclusive club, relying on the American guaranty rather than on genuine pan-European cooperation. The mood at Brussels, when Western union was formed, was partially exclusive. Admission of Scandinavia was envisaged, and Norway and Denmark at least are expected to join Western union soon after it has been guaranteed by this country. But the French and the Benelux countries were initially reluctant to take in Italy. And while this opposition to admission of Italy is likely to be changed by the election results, all five Western union nations were and are anxious to avoid assuming any commitment with regard to Greece.

A Savannah dentist has installed a movie projector in his office.

Henceforth, one presumes, patients are to be given their choice: novocaine or Abbott and Costello.

He can boast the world's most unusual double-feature . . . The Outlaws and Inlays.

Of course, if his films are of the same period as his magazines, he'll probably show nothing newer than "The Great Train Robbery."

It'll make it hard on young dentists. Dental equipment is already expensive enough, without having to buy popcorn machines.

Settled Military Policy

By Walter Lippmann

CORRESPONDENTS and commentators have been reporting the hopes and doubts of officials in the State Department who are thinking about the President's promise that "the United States will, by appropriate means, extend" to the free nations of Europe the military support which they need in order "to protect themselves." But while these officials are thinking about what to propose, the congress is about to dispose of the matter—certainly for the next crucial months—as soon as it has settled the dispute between Defense Secretary Forrestal and Air Secretary Symington.

LIPPMANN

For once the new military program is adopted, it will be set, unless war breaks out, at least until there is a new administration next winter. Yet neither the Forrestal nor the Symington program is designed to provide "appropriate means" by which the western union nations can "protect themselves." The Pentagon, however, divided on the relative size of the air force, the ground army and the navy, is proposing no program which takes into account the fact that the State Department promoted the Brussels alliance and that the President and Secretary Marshall have committed the country to support it.

The Brussels pact is a defensive alliance to resist the invasion and occupation of western Europe. American military policy—the strategical doctrine and the actual program to support it, both Mr. Forrestal's and Mr. Symington's—is not designed to defend particular countries against invasion; it is designed to deter aggression against any country by the threat of a crushing reprisal against the centers of the Soviet Union itself.

Must Be Reconciled

Until these two military conceptions have been reconciled inside the administration, we shall not be moving toward an understanding with the western union but toward a most dangerous misunderstanding. The Brussels pact is to prevent invasion. The Pentagon policy is to defeat Russia eventually. In 1939 Britain and France went to war when Poland was attacked. But they did not defend Poland. In 1941 the United States went to war with Japan. But it was unable to defend the Philippines.

The question, therefore, is not whether the United States will by treaty or joint resolution formally promise to go to war if the western union is attacked. It is whether it can and will adopt military measures which enable Great Britain, the United States, France and the Benelux nations to oppose effectively an advance by the Red army into western Europe.

The essence of the problem is what will happen to France, Belgium, The Netherlands and Luxembourg if our strategic air force is not a sufficient deterrent against all aggression, if indeed, while it is being built up, the Soviet Union decides to occupy western Europe and hold it as the hostage against our strategic air force and the atomic bomb.

It is therefore beside the point, and in fact quite misleading, to talk about whether the senate should be asked to ratify a treaty of alliance which pledges us to go to war if the western union is attacked. The United States would as a matter of fact be at war before the western union was at war. For the Red Army cannot cross the Rhine until it has crossed the Elbe; it cannot cross the Elbe without attacking the American Army before it attacks the Belgians, the Dutch and the French. The presence of Gen. Clay and his troops in Germany is an absolute guaranty, more certain and more automatic than any treaty could be, that the United States would not be neutral.

Guaranty Exists

Therefore, the guaranty that the United States would go to war exists and cannot be made any stronger. What is wanting are the "appropriate means" to give western Europe a good fighting chance to defend itself successfully. Without such measures an eventual victory such as the Pentagon has in mind—would be, as regards western Europe—apart from Britain which cannot be invaded—a case where the operation was successful but the patient dead.

So when Mr. Bevin signed the Brussels pact, when Mr. Marshall promoted it, when Mr. Truman promised to support it, they committed themselves to a reconsideration of Anglo-American military strategy and military policy. Were the affairs of the democracies well conducted there would have been military staff agreements before Brussels pact was signed and before the Forrestal and the Symington programs were presented to congress. But as in Greece, Iran, Palestine, China, Korea, so now once again we have followed the practice of making commitments first, and then of scratching our heads while we wonder what to do about it.

Cow Brings Truce

By The Associated Press

JERUSALEM—It happened near Jerusalem.

A cow which had heard nothing of partition troubles escaped from its Jewish owner into Arab territory several miles away.

But the mukhtar (village elder) of the Arab hamlet did not believe in war. He phoned to the Jewish mukhtar of the cow's native village that he would be prepared to return the cow—but how? Soon 10 unarmed Arabs drove the animal into no man's land between the two villages and there it was received by 10 equally unarmed Jews. They met and parted with mutual peace greetings of "salam," "shalom."

The silliest part of the silly business being able to remember names is that everybody else is in the same fix an admit it.

Ability to remember names is so ra matter of fact, that the occasional geni has it can write his own ticket. Some po can do it—the slickest ones. Preachers ge good at it sometimes. Occasionally a astonishes a former pupil by rememb name from a quarter of a century ago, teachers shouldn't get too much credit they usually have had a chance to kn pupils day in and day out and should to remember their names.

It's the name of the person seen occa and always under different circumstanc comes up missing oftenest. The theo names aren't remembered because of interest in the persons they belong to is as a keg of beer after a picnic. That's reason at all. It's because there is no and instantaneous connection between and faces.

That explains why so many people st "I remember the face—how could I forg but what was that name again?" The make the connection. The conditioned that makes it possible for a person to see and automatically think the name th with it just isn't there. It takes a lot of to condition a reflex, more than most ever have a chance to get in the ma names.

Whole World Watching for Outcome of Italian Elections

SPOTLIGHT OF INTEREST for all the world will be Italy's national elections Sunday, April 18. With statesmen and citizens of all nations convinced that the contest for victory at the ballot boxes is primarily a test of strength between the political philosophies of the East and West, Soviet Russia and her satellites and the western bloc of the United States, Great Britain and France have taken opposing sides and brought all possible pressure to bear upon the Italian voters. The campaign in Italy itself has been marked by intense interest and dramatic campaigning that has adorned every available wall in Italian cities with posters. Leaders of opposing factions are Premier Alcide de Gasperi and Palmiro Togliatti, Communist chief. *(International)*

Highway Patrol Reports 777 Mishaps in District

A total of 777 accidents occurred during the first three months of 1948 as compared with 624 for the same period of 1947, according to a bulletin issued today by Lt. S. D. Augenstein, commander of District A of the state highway patrol at Findlay.

The number of fatal accidents showed a corresponding increase with 26 recorded this year against 24 for the same period last year.

Only one more death occurred the first quarter of this year than last, with 40 recorded for this quarter.

This year's record of 504 persons injured the first quarter shows an increase of 27 over injuries this year in 1947.

Arrests have almost doubled with 1,686 this year against 920 for last. Written warnings have almost trebled with 11,608 compared with 4,013.

Sandusky county showed the largest death toll by motor accidents with three killed, while Erie county led in school bus accidents with three during the period.

Truck, Train Crash Kills 3, Injures 39

By The Associated Press

KREMLIN, Okla., April 15—A dump truck crashed into a speeding Rock Island train yesterday derailing three coaches and killing two passenger. Thirty-nine others were injured, three critically.

The impact knocked the coaches into a freight train on a siding and two of the coaches caught fire.

The left sides of three coaches were ripped off. Those killed and most of the injured were riding in the coach hit by the truck.

One of the dead still is unidentified.

things will be different in Ohio," he added.

There Stassen is bidding for 23 of Ohio's 53 delegates to the Philadelphia nominating convention.

Taft plans to leave Washington tonight for a weekend of campaigning in Ohio, where Mrs. Taft already is busily engaged in a vote seeking tour.

The Nebraska count, with only 47 of the state's 2,024 precincts missing, gave:

Stassen 78,610, Dewey 62,444, Taft 20,680, Senator Arthur Vandenberg 8,863, Gen. Douglas MacArthur 6,679, Gov. Earl Warren of California 1,772, and House Speaker Joseph W. Martin 886.

The returns gave Stassen 13 of the state's 15 votes on the first nominating ballot at Philadelphia. But Taft backers still hope to pick up some Nebraska support in later balloting. The results of the preferential vote are not officially binding on the delegates.

HELD ON THEFT CHARGE

James Herman Jones, 46, of 822 Kenton avenue was arrested by police at 10:06 a. m. yesterday on a charge of shoplifting. He is charged with stealing six pairs of women's size 10½ hose valued at $7.79 from the Montgomery Ward store. Police said Jones has a record of 11 arrests here, this being his fifth arrest on a shoplifting charge. He is to be arraigned in municipal court later.

BRINGS CHURCH TO INDIANS

In a remote canyon of Arizona, the small Havasupia tribe of Indians has maintained a tranquil way of life almost completely cut off from modern civilization. One of the few white men ever to contact the tribe is the Rt. Rev. Arthur B. Kinsolving, an Episcopalian missionary, who now has succeeded in giving the tribesmen a place of worship by flying a quonet hut into the canyon with a helicopter, a section at a time. Hut was donated by steel company.

JAMES H. RIGGS

JAYCEE OFFICIAL WILL SPEAK HERE

State President Will Address Marion Group.

The Marion Junior Chamber of Commerce will hold its annual "guest night" dinner meeting Tuesday, April 20, at the YMCA. Paying his official visit to the Marion Jaycees and appearing on the program as guest speaker will be James H. Riggs of East Liverpool, O., president of the Ohio Junior Chamber of Commerce.

Mr. Riggs' business association is with the Riggs Co., wholesale grocers, in East Liverpool, of which he is now serving as vice president. Active in civic affairs, he is a member of the Junior Chamber of Commerce, the Chamber of Commerce, Rotary club, Buckeye club and the County Country club, all of East Liverpool, and the First Presbyterian church of Wellsville.

As a member of the Jaycees in East Liverpool, Mr. Riggs has served as first vice president, secretary, chairman of various committees, committee member, member of the board of directors for four years, state chairman of the Youth Activities committee, and state vice president. Mr. Riggs is a winner of the Ohio Junior Chamber of Commerce distinguished service award as one of five outstanding young men in Ohio and of the distinguished service award given by the East Liverpool Junior C. of C.

Mr. Riggs was elected to the office of state vice president at the convention in Toledo in May, 1946. At the convention in Cleveland in May, 1947, he received the "Bob Schmidt Memorial Trophy" as the outstanding vice president of the year and received a unanimous ballot of the convention when elected president.

Also on the program, a recording will be played of a talk given by the national president of the Junior C. of C., John Ben Shepperd, at a state meeting held recently in Columbus.

All members are urged to bring a guest for the meeting. Dinner will be served at 6:30 p. m.

POLICE MAKE QUICK RECOVERY OF AUTO

Nab Driver in Hour After Car Reported Stolen.

There are smiling faces at police headquarters today following the record-breaking recovery of the first car stolen in Marion in over a month.

The lightning pick-up of the stolen car exactly one hour and one minute after it was reported stolen was made by two cruisermen, Patrolman Floyd Wilson and Harold Morris.

The car was reported stolen from a downtown parking lot by its owner, Verner Knapp of 482 West Center street, at 9:24 p. m. yesterday. A radio call was issued immediately to all cruisermen and by 10:25 p. m. Patrolman Wilson and Morris had stopped the car on North Prospect street, arrested its driver, Charles Raymond Stewart, 18, of 835 West Columbia street, and placed him in jail.

Stewart was arraigned this morning before Judge Hann on a charge of auto larceny filed by Captain E. C. Macken. He pleaded guilty to the charge and was bound over to Marion county grand jury. His bond was set at $1,500.

The Knapp car was one of two reported stolen last night.

Police received a report at 3:15 a. m. today from Harold McCurdy, owner of the Safety Cab Co., that his personal car had been stolen from in front of his home at 485 Forest street. The car carried license Q 1310, Mr. McCurdy said.

COLOMBIA MENACED BY ASSASSIN VICTIM

By The Associated Press

BOGOTA, Colombia, April 15—A dead man threatened political peace today in a riot-wracked Colombia.

He was Jorge Eliecer Gaitan, assassinated leader of the liberal opposition to conservative President Mariano Ospina Perez.

His widow said yesterday—the day set for his state funeral—she would not let him be buried until the president resigned. The funeral was postponed.

Gaitan's fatal shooting last Friday touched off a Colombian rebellion that ravaged this capital and interrupted the Pan American conference here.

That meeting—the ninth international confernece of American states—resumed yesterday and swiftly split over a name for a Pan American regional organization, with the United States on the losing side. It chose "Organization of American States."

In the Bogota rioting, officials have estimated that 300 were killed and 1,000 hurt, but many persons believe other dead lie in the ruins of looted and burned buildings.

Over the government radio last night, Finance Minister Jose Maria Bernal announced that the U. S. export-import bank has offered and Colombia will accept a $10,000,000 reconstruction loan. A plane arrived yesterday with $5,000 worth of American Red Cross medical supplies.

Youthful "Commies" Damage Churches

By The Associated Press

CLEVELAND, April 15—Police today were searching for vandals who have damaged three Catholic church properties in the northeast area of the city in the past three weeks.

The latest act, discovered yesterday, was the smearing of a statue and painting in St. Francis' church with black paint.

A schoolroom of St. Philip Neri church was broken into Monday night and late last month books and maps were torn in a schoolroom of St. Casmir's church.

"The Young Commies" and "Forever Russia" were found scribbled on the walls and blackboards at St. Philip's. An American flag was found torn from the wall and the Russian hammer and sickle insignia was drawn on the blackboard.

2 Men Bound Over In Union Co. Robbery

Special to The Star

MARYSVILLE, April 15—Two Richwood men, Edgar (Buck) Carr, 40, and Paul DeBolt, 21, were bound over yesterday to the May term of the Union county grand jury on charges of armed robbery.

Both men entered guilty pleas yesterday upon arraignment in the court of William Snodgrass, Marysville justice of the peace. Only charges of the armed robbery of Gale Hogue, York township farmer, were filed against them by Union county prosecutor William Coleman. No mention was made of filing any charges against the pair in connection with the stabbing of Hogue which occurred when he was robbed of $300 last Friday.

Both men are now in Union county jail under bonds set by Justice Snodgrass at $2,500.

Russia Blocks Base Of U.S. Air Force

By The Associated Press

VIENNA, April 15 — Russian troops today set up a roadblock which isolates the American air base at Tulln, 14 miles west of Vienna.

The Russians demanded "grey" identification cards.

Some U. S. air force personnel traveling to work from Vienna were permitted to pass after long arguments. Others were refused clearance.

The road block was manned by one officer, four enlisted men, and a civilian interpreter.

Harold Voeth, Vienna manager for Pan-American Airways, said American military police at Tulln were not allowing his employes to return to Vienna.

2,000 on Capital Trip In Palestine Protest

By The Associated Press

NEW YORK, April 15—More than 2,000 persons left aboard two special trains today for Washington to protest the administration's failure to support the partition of Palestine.

The delegates, members of the united committee to save the Jewish state and the United Nations, will call on President Truman, members of congress, Republican and Democratic party national leaders and state department officials.

FORMER LIMA MAN KILLED

IOLA, Kas., April 15—Mack P. Colt, president of the Oko Oil and Gas company, and a former resident of Lima, O., was killed yesterday, apparently while cleaning a .22 caliber rifle in his office. Police said all evidence indicated accidental death.

Woman Is Freed Of Charge in Mansfield

By The Associated Press

MANSFIELD, O., April 15—Municipal Judge H. H. Schettler today dismissed charges of armed robbery against Mrs. Veronica Black, 26, of Columbus. His reason was lack of evidence.

Mrs. Black, her husband Wallace, 24, and Donald Devere Bowman, 29, of Cleveland were captured following a $200 holdup of the Wade and Roberts restaurant April 5.

Witnesses testified today Mrs. Black did not participate in the holdup. Sheriff Frank E. Robinson said he was informed the woman tried to persuade the two men not to rob the place.

Bowman waived preliminary hearing today and was held to the grand jury. He was unable immediately to post $5,000 bond. Black previously had waived preliminary hearing and was held to the grand jury under $2,000 bond.

All three had pleaded innocent to charges of armed robbery.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

day and did not know when he could find time, but, added: "I'll be there to use it."

Supporting Defense

The President said he does not know why Air Force Secretary Symington is differing with the administration's recommendations on size of the air forces.

Asked whether he plans to "spank" Symington for proposing a 70-group air force, Mr. Truman said he will have to answer that latter.

Defense Secretary Forrestal previously had asked for a smaller force, along with universal military training and a draft. Mr. Truman had called this a balanced program which the nation can afford.

The President told the news conference he is supporting to the limit the defense program outlined by Forrestal.

Surprised Over Bogota

The President said he was as surprised as anyone else about the uprising in Bogota, Colombia.

He told the news conference he was very sorry the rioting did happen but he had no warning of it.

A congressional inquiry already has been started to find out whether United States intelligence agencies had advance word of the revolution and warned proper officials.

A reporter asked Mr. Truman whether he considered the revolt a warning to the Americas of the Communist danger in this hemisphere.

Mr. Truman replied Secretary of State Marshall had commented on that, adding he did so very well.

Connecticut Gets Safest State Honor

By The Associated Press

CHICAGO, April 15—Connecticut today was again named the "safest state in the nation" by the National Safety Council.

Oklahoma City, Okla., and Wilmington, Del., shared honors as the safest cities participating in the council's 1947 safety contest.

CALLS FOR VIGILANCE ON NEWS FREEDOM

By The Associated Press

WASHINGTON, April 15—A call for "vigilance" against any "bureaucratic menace" to news freedom was sounded today by N. R. Howard, retiring president of the American Society of Newspaper Editors.

Howard, editor of the Cleveland News, told some 350 editors here for a three-day ASNE convention they hold a dual responsibility:

"First to the people whom our newspapers serve and protect and equally toward our government and its mandate to protect the people in a strange time." He added in his prepared address:

"If there are any reasons for the society discussing limitations or qualifications on the free pursuit and publication of the fact, these must begin certainly with the element of national safety."

Howard cited the recent "exposure by the press of the plans of a government departmental committee here in Washington to impose a pattern of silence on the cabinet departments."

"The proposal in part," he said, "was that cabinet heads regulate the classification of information on a scale of 'secret' down through 'confidential' and discipline all federal spokesmen and employes who did not respect this administrative rule."

Death Penalty In Britain Abolished

By The United Press

LONDON, April 15—Great Britain, which once hanged criminals for stealing a loaf of bread, abolished the death penalty for murder today.

For a five-year experimental period the maximum penalty for murder will be life imprisonmet. During that time hanging will be reserved only for those convicted under the treachery act for such crimes as treason or sabotaging the royal dockyards.

The bill abolishing the death penalty for murderers was passed by the house of commons last night by a vote of 245 to 222.

5 CHILDREN DIE IN FIRE

By The Associated Press

JACKSON, Mich., April 15—Five children were burned to death today in a fire that destroyed a four-family apartment house at Vandercook lake, a suburb three miles south of here. The victims were Betty Nelson, 7, and Beverly Nelson, 6, daughters of Mr. and Mrs. Clifford Nelson, and Ethel Midyett, 16, James Midyett, 13, and Jerry Tatman, 4, all children of Mrs. Ruth Tatman.

Sales Tax Recepits Hit All-Time High

COLUMBUS, April 15—Sales tax receipts for 1948 continue to climb above the all-time record high of last year.

State Treasurer Don H. Ebright announced today that receipts for the week ending April 3 totaled $2,593,121 as against $2,358,111 received for the same week last year.

The overall collections to date totaled $27,793,696, an increase of some $4,000,000 over 1947.

ITALY'S REDS SEEN LOSING IN CAMPAIGN

By The Associated Press

ROME, April 15—Italy's bitter election campaign entered its last phase today with the Communists apparently still losing ground. The government mounted guard for any last-minute leftist maneuver in the country's "Red North."

A government decree closes campaigning at midnight tomorrow allowing a 32-hour cooling off period before voting starts Sunday morning at 8.

Premier Alcide De Gasperi, Christian Democrat leader, has warned the government will not tolerate trouble on election eve, and has promised it has enough troops to maintain order.

An interior ministry report that the Communist-dominated Chamber of Labor at Mantua had called a general strike in the northern province of Mantova could not be confirmed. Police at the scene said last night it had not been called yet. Mantua is the capital of Mantova.

The ministry said the reported strike call was in protest against the arrest Tuesday of Cleanti Armondi, Communist mayor of Serravale, near Mantua. It said a cache of small arms was found in his home, and included five rifles.

MAY END BUS STRIKE

AKRON, O., April 15—Prospects for an early end to the city's 15-day bus strike brightened today following an agreement increasing fares and boosting service. The plan was approved by city council in recessed session last night after details had been worked out by the Akron Transportation Co. and city officials.

WAR RUMOR CAUSES PANIC

COPENHAGEN, DENMARK, April 15—Rumors that war had broken out between the United States and Russia caused near panic today in Jutland, in northern Denmark. Newspaper telephone lines were jammed. The origin of the rumors could not be determined.

Prominent Methodist, Daughter in Galion

Special to The Star

GALION, April 15—Two distinguished guests at the Crawford County Children's home, Rev. James Levan Clark and his daughter, Mary Helen Clark of Lexington, Ky., addressed the boys and girls at the home this week.

Rev. Clark and his daughter are guests of Mr. and Mrs. Marvin Adams, superintendent and matron of the home. He is a brother of Mr. Adams' mother.

Rev. Clark is prominently listed in Who's Who. Aside from serving pastorates of the Methodist Church South, in several Kentucky cities, he has served a number of terms as presiding elder in the Shelbyville, Covington and Lexington districts.

He is past grand master of the I.O.O.F. lodge in Kentucky and past president of Kentucky Wesleyan college. In 1914 he was in South America to organize churches in Brazil, and assisted with the general conference there until 1930.

Mary Helen Clark, a missionary teacher now on furlough, has served 18 years in Brazil teaching English in the mission school at Rio De Janeiro. She spoke to the children of the home, to describe her numerous experiences with natives of South America. She will return to that country next month.

THEATER IS FILLED FOR OPENING SHOW

Oakland Movie House Draws 800 for Two Performances.

After a ten-year shutdown, the Joy Theater in Oakland Heights formerly known as the Oakland, opened last night with approximately 800 persons, children and adults, attending the two complete shows given. C. E. Harvey who is managing the theater for Mutual Enterprise Inc. of Williamson, W. Va., reported the 242 seats available were filled at both shows and some patrons were standing.

Showing was "Red Stallion," starring Robert Paige, Noreen Nash and Ted Donaldson, with added attractions including a short, "Hawaiian Memories," in technicolor, and a Bugs Bunny color cartoon. This film will continue through tonight, and the billing Friday and Saturday will be "Song of the Wasteland" starring the singing cowboy, Jimmy Wakely.

Two complete shows will be given each night, hours at 7 and 9, and matinees will be shown only on Saturdays, Sundays and holidays. On these days there will be continuous shows beginning with the matinee.

Methodist Ministers In Book Discussions

Special to The Star

GALION—A review of the book "On Final Ground," was given by Rev. Alva Miller at the April meeting of the Methodist Book club in Galion at First Methodist church this week. There were 21 Methodist ministers and their wives present from Crawford, Morrow, Richland and Ashland counties. Dr. Dwight Curtis of Bucyrus presided. Rev. Charles Edgar of Iberia church was devotional leader.

Mrs. John Cordero, wife of the pastor of First church, Bucyrus, was in charge of the women's division. Mrs. Alva Taylor of Galion led devotions. Four reviews were given by Mrs. W. H. Ayers of Nevada, Mrs. Charles Stoneburner of Mansfield, Mrs. E. K. Barss of Savannah and Mrs. John P. Cordero of Bucyrus.

Women of the W.S.C.S. served dinner.

BUCYRUS "Y" ELECTS

BUCYRUS, April 15 — Terminating the casting of ballots during the last two weeks by members of Bucyrus YMCA, seven new directors have been elected to serve three year terms. The board, meeting this week, also reorganized, reelecting all 1947-48 officers. Judge C. U. Ahl again heads the board as president. Judge Ahl and Secretary E. B. Hagaman were also named to represent the YMCA at the Ohio-West Virginia area council meeting in Columbus later this month.

In Plain Words

By James Marlow

WASHINGTON

THE idea of pensions has burst across the American labor front this week with brand new force.

Before looking at what happened, remember this:

Under the Wagner labor act, passed in 1935, and the Taft-Hartley labor act, passed in 1947, employers must:

Bargain with a union representing their employes about wages and working conditions, among other things.

But neither law says they have to bargain with a union about pensions.

James Marlow

So employers have been free to do a number of things about pensions:

A number of companies have pension plans in which a union has had no part. Then this week this happened:

1. On Monday John L. Lewis won a long fight over how a pension plan for his coal miners should work, the pension to be paid for by the mine owners.

2. On Tuesday the national labor relations board (NLRB) ruled that an employer must bargain with a union about a pension plan.

No. 2 doesn't mean a boss must grant a pension plan. But now, under the NLRB ruling, at least he must talk to a union about it, if a union wants to.

The NLRB said that pensions fall within the meaning of wages and therefore must be discussed.

NLRB IS THE GOVERNMENT agency which administers the labor law. This was the first time since it was created in 1935 that it ruled on pensions.

Its decision was based on an appeal to it by the CIO Steelworkers against the Inland Steel Corp.

The NLRB had been considering this case for months and handed down its decision the day after Lewis' victory.

This NLRB is not necessarily the final word. In the end, the case may be appealed all the way through the U.S. courts up to the supreme court for a final decision on whether a boss must bargain on pensions.

BUT THE TWO EVENTS of this week give fresh strength to other unions seeking pension plans.

The CIO Steelworkers want pension plans from other steel companies. The CIO Autoworkers want pension plans from the auto manufacturers. CIO electrical workers want pensoin plans.

The desire of unions for pension plans cuts clear across the country into all kinds of business.

But if an employer talks pensions with a union—in addition to wages and other things—isn't that likely to cause more labor-industry disputes?

CHARLES E. WILSON, head of General Motors, thinks so. Wilson now is tangled up with the auto workers over a pension plan. He recently said:

"The inclusion of health and welfare plans within the area of collective bargaining can only create new and unexplored areas of industrial disputes, difficult—if not impossible—to solve."

One of the problems is how to set up a permanent pension plan when union contracts with employers are made for only a year or two at a time.

Wilson thinks the Taft-Hartley law should be amended to rule out any bargaining about pensions.

Senator Ball, Minnesota Republican, was one of the members of congress most active in getting the Taft-Hartley law passed.

He says that by next January congress may try to regulate pension bargaining, which would mean amending the Taft-Hartley law.

ASHLEY, April 15—A card from C. J. Kiefer of Ashley, who with his wife are staying at their winter home in Lake Worth, Fla., writes that Mrs. Kiefer had a bad fall while shopping in Palm Beach a week ago. They were in a clothing store when she stepped on an offset in the floor, and turned her right ankle. She fell on the cement floor breaking her right shoulder.

"WINGSPAN" NAME WINS

BUCYRUS—The name "Wingspan" submitted by Delbert E. Craner, Bucyrus High school senior and member of Bucyrus CAP, was adjudged the winner in a state-wide contest conducted recently to select a name for a monthly CAP publication. The winner with his parents has been awarded a free round trip flight as co-pilot to Cleveland, Dayton or Cincinnati.

PIGS PREFERRED

By The Associated Press

LONDON, April 15 — Paula Perks prefers pigs to perfume. After five years of work on a farm during the war she came to town and got a job in a London perfume shop. Today she quit to go back to the pigs. The odor of perfume, she said, "got me down."

Three Motorists Fined For Traffic Violations

Three motorists were fined Tuesday on charges of traffic violations, the state highway patrol reported.

Pearl Carr of Bucyrus was fined $5 and costs Tuesday in Mayor R. L. Hertzer's court in Bucyrus following his arrest at 10:45 on route 4 north in Crawford county on an excessive speed charge.

Melvin Clay of Columbus, arrested at 4:45 p. m. and charged with driving a vehicle across the yellow line on highway 42, pleaded guilty and was fined $5 and costs by Mayor Bennington of Mt. Gilead.

Jack Corbins of Ashley was fined $15 and costs on a plea of guilty by Mayor Bennington to a charge of driving a motor vehicle at an excessive speed. He was arrested at 8:25 on highway 42.

Fire Insurance Firms Seek $32,000 Recovery

Special to The Star

BUCYRUS, April 15—Two days were required in selecting the jury to hear the action for money of the Buffalo Insurance company and 10 other insurance companies against the Texas Company, Gulf Refining company and F. J. Egner and Son Inc. which got underway here Monday.

Plaintiffs are seeking recovery of $32,000 in claims paid out in a gasoline fire at Norwalk, charging negligence on the part of employes of the oil companies while attempting to fill a storage tank.

IN GALION HOSPITAL

GALION, April 15 — Mrs. George Fadely of South Columbus street underwent surgery at City hospital this week. Her condition is reported as satisfactory. Mr. Fadely is a former Marion resident.

SPORTS ROUNDUP

by Hugh S. Fullerton Jr.

NEW YORK, April 15—Since it is part of the spring baseball ritual to recall the feats of famous old-timers, Clark Griffith (a famous old-timer himself as well as a modern club owner) consented to pick an all-star team of men he played with and against. Here it is as relayed by Ernie Lanigan, director of baseball's Hall of Fame: pitchers—Walter Johnson, Rube Waddell, Christy Mathewson, Cy Young; catchers—Johnny Kling, Roger Breshnahan; first base—George Sisler; second—Napoleon Lajoie; third—Jimmy Collins; short—Hans Wagner; outfield—Ty Cobb, Ed Delahanty, Tris Speaker; subs—Eddie Collins, Joe Jackson.... And, brother, wouldn't Griff like to have that team at Washington now—that is until payday came around?

JIMMY LITTLEJOHN... who won considerable fame as an East Texas State basketballer, is the outstanding "stringbean" shortstop in the Chicago White Sox farm system. He's 6 feet 5 and still growing.... Mike Jacobs is due back in town Saturday to take charge of preparations for the Louis-Walcott fight (over his doctor's protests).... Shut out of last week's Army scrimmage because the cadets were summoned for a parade, Bob Higgins, Penn State grid coach, put on a tussle between his athletes from east and western Pennsylvania. The west won, proving to Bob that he can continue to use a two-team system.... Mechanical age item: Doc Marshall, the veteran harness race driver, has equipped his sulky with a rear-view mirror so he can watch his rivals without turning his head.

PROSPECT SHOOTERS AWAIT MATCH RESULTS

Prospect entries in the Ohio State Championship Pistol matches held last Sunday have not as yet heard the outcome of the entire match. However, in the first three matches R. S. Watkins fired a 81.8 average; Robert D. Norris, 79.0; Don Hinton, 77.8; Alice Hinton, 74.9. Outcome of match four, the team event, is not known at this time nor the results of the .38 calibre matches which followed.

The Northwestern Ohio Rifle league will hold a spring business meeting at the Findlay rifle range Sunday, April 25. Two delegates are requested from each affiliated club. Also on April 25 the shooters will meet at the state range between Mansfield and Mt. Gilead to play a summer program. At least five senior rifle shooters and at least five junior rifle shooters from the Prospect club will probably attend.

Toronto Wins Cup In Hockey Playoffs

By The Associated Press

DETROIT, April 15 — Professional hockey's tarnished old Stanley Cup, emblem of National league playoff supremacy, remains right at Toronto for another year and nobody can question the fact that's where it belongs.

The Toronto Maple Leafs, settled the issue with complete finality here last night by crushing Detroit 7 to 2 for a clean sweep of the four-game finals.

MOOSE TO PRACTICE

The Moose softball team will practice at the Armory Friday night at 7:30. The Moose team has scheduled games with the Cincinnati Eagles, a strong ball club, the Cincinnati Moose, and the Hamilton Moose. Guy Lewis, who pitched with Smitty's All Stars last year, has signed with the Moose this season.

PRIDE OF 35 PLANS FOR DINNER APRIL 27

Final plans were made for the anniversary dinner to be held April 27 at Hotel Marion at a meeting Tuesday night of Pride of 35, Lodge No. 79, Ladies' Auxiliary to the Brotherhood of Railroad Trainmen in Democratic headquarters. The dinner will be at 6 p. m. and members are urged to get their reservations to Mrs. Ollie Winfield, 7664, or the secretary, Mrs. Ruby Davis 4829, at the earliest possible time. Mrs. Golda Leffler presided for the meeting.

Mrs. Helen Haberman was installed as warden. An invitation to attend the Fourth Ohio State meeting of the Brotherhood and auxiliary at Cleveland Oct. 2 and 3, was accepted. Headquarters will be at the Hollenden Hotel.

Scrap Drive Assures Lake Erie Vacation

Special to The Star

BUCYRUS, April 15 — Lions troop, 22, Boy Scouts, is assured of the annual Lake Erie vacation for another year after conducting a successful scrap paper drive last week.

Although the exact amount cleared from the paper sale was not known, Scoutmaster Ed Koch said that it would be sufficient to fiance the customary lake trip to Canada.

Three large semi-trailer trucks carried the paper to Marion, where it was sold to a scrap dealer.

REBEKAH LODGE MEETS

One member was introduced by transfer and Mrs. Alice M. Showers, a member of Silver Gate Lodge of San Diego, Calif., was a guest at a meeting of Sosnowski Rebekah Lodge, Tuesday night. Mrs. Martha Dawson, captain, announced drill practice for the next meeting in two weeks and it was announced that Mrs. Bertha Brobst of 500 Forest street would entertain the Friendship circle next Wednesday. A contribution was made to the Marion county Cancer Society's campaign. It was announced that two members had been recommended for the decoration of chivalry, and plans were discussed for attending the annual assembly to be held at Akron May 10 to 13.

A Weak, Run-Down Feeling Is Often A Warning

That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and doing, why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and off color?

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities by analysis of the blood, have by positive proof shown that 666 Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the 666 Tonic formula which contains special and potent activating ingredients.

Also, 666 Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or acidity—thus the stomach will have little cause to get balky with gas, bloat and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on 666 Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. 666 Tonic helps Build Sturdy Health.

From where I sit ... *by* Joe Marsh

Now It's Neckties Made of Milk!

Fellow in Andy Batkin's Tavern was boasting about a trick necktie he was wearing made out of a by-product of milk. "Took 33 pounds of milk to make this tie," he says.

Bill Webster was unimpressed. "Personally," he says, "I'd rather have the milk to drink. Just as I wouldn't change one glass of good American beer for a necktie made from thirty barrels of it!"

Yes, modern science being what it is—seems like you can make "anything out of anything" these days. But in the case of milk, well I guess drinking it is still a whole lot better than just wearing it.

Of course there are lots of other ways of abusing goods and beverages—like a fellow who doesn't appreciate good beer enough to drink it slowly and in moderation.

But from where I sit, most people who enjoy a wholesome beverage like beer or ale are moderate—because beer itself is a *beverage of moderation.*

MAX J. ROSEBERRY ON POLICE FORCE

Well-Known Athlete Appointed by Director Uncapher.

Safety-Service Director E O Uncapher today announced the appointment of Max J. Roseberry, 27, of 270 North Greenwood street as a patrolman on the city police force. He will begin his duties tomorrow.

Roseberry is a native of Nevada, Ohio, but has spent most of his life in Marion. During World War II he served as a shore patrolman in the U S Coast Guard.

Since his discharge from the service he has been employed as a truck driver and at the time of his appointment was employed by the CCC Highway Truck Lines Co.

He attended Harding High school. He is married and has a two-year-old son. His wife is the former Maxine Ensminger. He is the son of Mr. and Mrs. Ray Roseberry of 272 Patterson street.

He is well known as an athlete in Marion, playing last season on the Marion Angels football, basketball and bowling teams, and was a referee for the YMCA basketball games.

NEW JAP INDUSTRY

TOKYO April 15—With a great fanfare a Japanese company announced today it had succeeded in making this country's first English language typewriter. The firm's name Woodpecker Industry company.

FLOOD FORCED HIM TO DETOUR WITH THIS RESULT.

Because of rising flood waters on U S Route 31 Mike Satterfield, 60, of Indianapolis, took a detour and drove on a two-ton bridge with a 10-ton truck with this result. The cave-in occurred near Cincinnati, O.

Overnight Camping Trip for Scouters

Plans are underway for an "overnighteree" to be held for all Harding Area Scouters Saturday and Sunday, at Boy Scout Camp Owens. The purpose of the weekend camping trip is to inform all Scout leaders of the realigned Scout requirements in the program of advancement recently set up by national headquarters.

The program will be explained demonstrations will be given and movies will be shown by a faculty of about ten men. Approximately 100 Scouters are expected to be present.

A committee of three men is in charge of the "overnighteree," Cecil W. Gabler, chairman of leadership training for the Harding Area Council. J. K. Staats, camping and activities committee chairman of the Marion district and William Spurr, Marion district leadership training chairman. Assisting will be LeRoy Clauer project chairman, and Lou Everly, who will be in charge of food.

Nelson Irvin will be present as a guest and will give a first aid demonstration program. This "overnighteree" will count as the weekend session for Scoutmaster training course. A church worship service Sunday morning will be conducted by Dr. C. E. Hershey.

Rags, which once were virtually the only source of paper pulp now supply only about three per cent of that used.

WALDO MUSIC FESTIVAL IS PRESENTED AT SCHOOL

The annual Waldo Music Festival was presented by the music department of Waldo school Tuesday night in the school auditorium to a capacity audience of approximately 300 persons. Mrs. Robert Rice, music instructor in the school, directed the festival.

A highlight of the program was "Grandma's Music Box," presented by grades 3, 4, 5 and 6. The curtain went up on boys and girls jitterbugging, chewing bubblegum and doing the boogie-woogie, whereupon Grandma entered to watch the bewildering behavior and to reflect on the decline of good music. Simple words suited to the music of the masters, Schumann Beethoven and others, were dramatized by the pupils while the chorus, in the background, sang the words.

Taking part in the remainder of the program was the junior orchestra, the school band, the tonnette band, the rhythm band composed of grades 1 and 2, the boy's chorus of grades 7 and 8, the high school orchestra, the girl's chorus of grades 7 and 8, the boys glee club, girls glee club and the mixed chorus.

GAS HEATING AVAILABLE
TO LIMITED NUMBER OF RESIDENTIAL CUSTOMERS

On March 2, 1948, The Public Utilities Commission of Ohio held a public hearing relative to gas utilities accepting additional gas heating load. As a result of this hearing, the Utilities Commission issued a supplemental order on Thursday, April 1st, permitting gas utilities to accept additional heating load in line with each utility's judgment on its ability to serve. This order also provided that for each additional newly constructed building accepted for gas heating, an existing customer now using another fuel be allowed to convert to gas for heating. It stated that special medical hardship cases were to be given preference on such conversions. Also, it provided that written applications must be made by the consumer to the utility, for written consent and authorization for such use.

Less than 8300 Additional Heating Jobs

Under present estimates, The Ohio Fuel Gas Company cannot accept for heating all of the anticipated new housing units to be built in our territory this year. The total number of additional gas heating jobs which can be accepted in 1948 for both new and existing homes will not exceed 8300 in more than 300 retail markets served directly by Ohio Fuel.

Feeling a first obligation to domestic consumers under utility law, the Company cannot accept additional space heating from commercial and industrial customers until supply conditions improve at least beyond this year's estimates.

In order to hold a position of complete impartiality, The Ohio Fuel Gas Company will not engage in the sale or installation of any heating equipment involved in these additional space heating installations. All sales will be handled through heating contractors and dealers.

Applications Accepted Through April 30th

Written applications for additional space heating will be received by The Ohio Fuel Gas Company either in person or by mail at all of its offices through Friday, April 30th. Applications will be considered in the order received up to the permissible limit. Applications for heating new homes with gas must be made by the owner. In case of multiple units, such as a four-family apartment, a separate application is needed for each unit. All new residential buildings receiving gas heat under this permit must have foundations completed by July 31, 1948. Otherwise, the permit is void.

Converting to Gas From Other Fuels

Owners or occupants of existing homes now being heated with other fuel now may make application for space heating with gas. In cases of medical hardship, applicants will be furnished proper forms for supporting evidence for their application. After investigation and consideration of medical hardship applications, any other domestic applications for conversion to gas space heating will be considered in the order applications are received, up to the limit that total conversions can be accepted.

All customers are advised that any heating installations beyond the number authorized might easily threaten gas service next winter as well as add to unemployment if prolonged industrial curtailments are necessary in extreme weather.

Upon receipt of consent and authorization from The Ohio Fuel Gas Company for the installation of gas space heating equipment, customers are advised to purchase from established heating contractors or dealers handling known brands of gas heating equipment approved by The American Gas Association. This will assure them greatest satisfaction and safety through the use of approved equipment, properly installed.

LORAIN, O., April 15—City council will vote again tonight on whether to adopt daylight savings time on April 25 So far an ordinance calling for the change has failed to muster sufficient votes

ANNUAL MEETING HELD BY CHURCH

New Officers Elected by Presbyterian Congregation.

Officers of First Presbyterian church were elected at the annual congregational meeting at the church Wednesday night and the yearly report to be presented to the denominational general assembly was approved Because of a recent change in the church fiscal year to correspond to the calendar year, the period covered at this meeting was nine months, it was explained The next annual congregational meeting will be held in January Rev. Howard L. Olewiler, pastor, presided. Dinner preceded the business session

Elected as church treasurer was Henry Trio, and Russell Dunlap was elected clerk of the congregation. Chosen as trustees for three years were D. A. Howard and Paul Pocock; deacons, Dr. Ralph Watson, Everett Griggs, Lloyd Williams, Rex Kilbourn, Junge Seward Ruzzo and Leo Oberlander and elders Alfred Exton, L. L. Cookston, Harry Evans, D. O. C. Aldrich and R. I. Butterworth

The dinner was sponsored by the men's organization of the church with A. C. Mix, newly elected president, presiding David Jolly is retiring president. A financial report at the business session was given by J. B. Bray. Congregational expenses for the period were reported as $31,000, with an additional $8,000 given to missions. In his talk, Mr. Bray mentioned improvements in the church's educational unit, including a new beginner's department, and general remodeling was done.

AWARDS PRESENTED TO LEGION WINNERS

Bird-McGinnis Honors Students in Essay Contest.

Certificates and medals of award were presented to eight post and county winners in the recent American Legion essay contest sponsored in Marion county by Bird-McGinnis Post No. 162, American Legion, at a meeting of the post Tuesday night in the Dugout. The presentations were made by Clifford Chapman, chairman of the contest committee.

Certificates for post winners were given to Charles Andrews, Vivian McDonough, Jack Ehrick, Barbara Solle, Paul Menzer, Jr., Jeanne Dunn, Robert Dickason and Joan Anderson. Medals were presented to Charles Andrews and Joan Anderson, whose essays won in the district competition.

Parents of the eight students were present as guests of the post.

Guest speaker for the program was John Vandervort of Mansfield, Richland county service officer. He explained the duties and responsibilities of a service officer and discussed the rights and benefits to the veteran under the veterans administration laws.

J. W. Llewellyn, chairman of the Buckeye Boys' State committee, announced that a post candidate to Boys' State has been selected and will be announced at a later date. The Boys' State activities will be held June 12-22 on the campus of Ohio Wesleyan university at Delaware. Francis Layton, assistant Scoutmaster of Troop 5, sponsored by the post, reported on troop activities. John V. Ruth, first vice commander and membership chairman, reported a total of 530 members to date.

Arrangements were made for the post to attend the Sixth District spring conference of the American Legion to be held Sunday, April 18, at Pataskala, O. Guest speaker for the afternoon session will be A. J. Halloran of Springfield, department commander. An auto caravan will go from here and all planning to attend are to meet at the post-office at 8:30 a. m. D. J. McDonald, district vice commander, gave a report on progress of membership in the district and urged all Legionnaires to attend the district conference.

Refreshments were served following the meeting in the social rooms.

RICHWOOD HIGH SENIORS GIVING DRAMA FRIDAY

Special to The Star

RICHWOOD, April 13—The Senior class of Richwood High school will present the annual class play Friday night at 8 o'clock. The title is "The Great Big Doorstep."

This play was a recent Broadway success. It is being directed by the head of the English department Dean Cochran.

Those in the cast include Dot Ann Cheney, Dorothy Ehret, Mary Lou Mallack, Marilyn Miller, Jo Anne Matteson, Jeanette Field, Mary Welsh, Lester Wall Jr., "Whitey" McElroy, "Jake" Wood, Max Cowgill and Bill Vandergriff.

The drama is about a family of Cajun folk, who live in a shack along the banks of the old Mississippi river in Louisiana. It is a three act comedy.

Chess Players Here Challenged To Match with German Club

A challenge for a long-range, long-distance chess match between a chess club in Germany and one in Marion has been received by Cecil W. Gabler, principal of Vernon Heights Junior high school, from Alfred Joanni, an instructor of English at a school of girls (displaced persons) in Kronach, Bevaria, Germany.

The challenge came as a result of a correspondence project which is being carried on between the junior high schools in Marion and the girls school at which Mr. Joanni teaches.

In a recent letter from Mr. Joanni, who belongs to a chess club in Kronach, he asked Mr. Gabler, if possible, to find a chess club in Marion which would consider playing a correspondence match with his chess club.

In view of this, Mr. Gabler contacted Ward Dennis, Boys' Work secretary at the YMCA, who said he has planned to start a chess club at the Y and should be interested in accepting the challenge provided there are enough interested players. At present, there is not an organized chess club here, but a few independent chess players are listed at the Y.

Meeting Tonight

Considering the possibility that several players in Marion may wish to participate in this correspondence match, Mr. Dennis has asked that all interested players meet tonight at 7:30 o'clock at the Y. If sufficient interest is shown, a chess club will be formed and one of the first projects of the club will be to accept the challenge of the club at Kronach.

In his letter, Mr. Joanni enclosed a complete roster of his club, 40 members, together with a chart of their opening moves. A club which accepts the challenge will fill in the names of its players opposite the names of the German players in the order of their skill in the game. Then, through a code system which was enclosed, packets will be mailed back and forth, each player teamed against a player in Germany and conducting his own game independently. Mr. Joanni stated that such a game may take as much as two years to complete.

Regarding the merits of such a contest, Mr. Joanni said in his letter, "I consider it one more opportunity to bring our two peoples together. I was once in the States for six years (1928-34). I got to know the excellent quality of Americans and I want everyone else to get acquainted with them, so that they will never again fall easy victims to unscrupulous propaganda."

The school correspondence project was started at Christmas time, last year, when Mr. Joanni mailed a packet of letters from his pupils to the Marion schools. These were given to Mr. Gabler, chairman of the junior high English committee, who in turn distributed them to the three junior high schools. Girls from classes here answered the letters and since that time have carried on active correspondence on a person-to-person basis.

In speaking of the value of the project, Mr. Joanni said, "Our children have learned so much about America, democracy, freedom, life in America and American prosperity, that I hope they may get a clearer picture through these letters than any newspaper can give them."

The school at Kronach, Mr. Joanni explained is about four miles off the American-Russian zone border. Compared to other German towns, it has had almost no destruction. People make their living on small farms, electrical porcelain plants, chinaware factories and wood working trade.

MARK ANNIVERSARY

Relatives and friends of John Bowers' of near Johnstown, formerly of Marion, held a pot-luck dinner in honor of his seventy-ninth birthday anniversary at his home Sunday. Centering the table was a large three-tier birthday cake with 79 candles. The day was spent socially. Mr. Powers is the father of Mrs. E. N. Snyder of East Center street. Present with the celebrant were Mr. and Mrs. Snyder, Mr. and Mrs. Millard Young, Mr. and Mrs. Art Rinbolt and family, and Mr. and Mrs. Orley Fadely, all of Marion. Mr. and Mrs. F. M. Smith of near Worthington, Mr. and Mrs. Kenneth Taynor and family and George M. Kemmerer, all of Columbus. Mrs. Evelyn Avery of Bowling Green, Kermit Fadely of Cleveland, and Mr. and Mrs. Orville Bowers of Johnstown.

1,600 BAND, CHORUS ENTHUSIASTS MEETING

Special to The Star

BUCYRUS, April 15—Bucyrus is prepared to welcome approximately 1,600 visiting high school bandsmen and singers from north central Ohio at the first district band and chorus contest ever to be held in Bucyrus, next Saturday.

Eleven choruses and the same number of bands will compete in the contests for the privilege of appearing in the state contests in Columbus May 8. Chorus contests are scheduled to start at 9 a. m. and continue until 12 noon. The band contests will get under way at 1 o'clock and continue until 5:15.

Judges will be Prof. Daniel Martino, head of the music department of Ohio university; Prof. Merrill McEwen of Bowling Green and Prof. Munk of Baldwin Wallace college.

Choruses will compete from Holmes Liberty, Henrietta, Old Fort, Crestline, Wellington, Hopewell-Loudon, Shelby, Fostoria and Bucyrus. Bands will be present from Mt. Zion, Avon Lake, Crestline, Carey, Hopewell-Loudon, Port Clinton, Salem-Oak Harbor, Shelby, Fostoria, Tiffin and Bucyrus.

Music groups in CC and C, BB and B classifications, according to school enrollment, will compete.

North Ohio Choral Festival Friday

Special to The Star

UPPER SANDUSKY, April 15—About 200 visiting high school choir members will be in Upper Sandusky Friday for one of the Northern Ohio league choral festivals. Four schools will be represented in this gala event.

The Bellevue High school mixed choir of 78 voices, under the direction of Arch B. Krumm, will be the largest group present. Bucyrus will be represented by a group of 62 singers under the direction of Miss Edna Ulmer. Norwalk is the third school represented with a choir of 65 voices under the direction of Mrs. Alice Evans Watson.

The Upper Sandusky High school choir, under the direction of C. W. Assenheimer, is the fourth choir. The local group numbers 48 voices.

Each choir will be heard individually on the evening program and then as a climax the four groups numbering a total of 253 voices will mass and sing five numbers together under the various directors. The public is invited to be present at this evening concert.

Prior to the middle of the 19th century, cotton rags served for almost a thousand years as the basis for most paper manufacture.

PRE-SCHOOL CLINIC SESSIONS PLANNED

To Be Held in City During Week of April 26.

Pre-school clinics for children who will attend school for the first time next fall will be held throughout the city school system between 9 a. m. and 11:15 a. m. Monday through Friday for one week starting April 26.

The clinics were announced today by Dr. Martin M. Weinbaum, Marion city health commissioner.

Parents are urged to bring the pre-school child to the school they will attend in the fall where doctors of the Marion County Medical academy and the Marion County Dental society will give each child a complete physical examination at no cost to the parent. Parents are urged to have children on hand for examination when they begin at 9 a. m. each day to speed the work of the examining physicians and dentists so more children may be accommodated each day. All medical and dental examinations at the clinics are being donated by the doctors and dentists participating.

The purpose of the pre-school clinic is to determine any existing physical defects the child may have in time to correct them, if possible, before the beginning of the fall school term, the health commissioner said.

Roving Reports

By Hal Boyle

NEW YORK

THE day is drawing nigh when machines will overthrow mankind and rule the world.

Year by year man and his civilization are growing more dependent upon the machine. And the time is near when the machine will take power into his own hands.

It all began with the wheel. Some stone age peddler of arrowheads probably found he could get his wares around easier by pushing them on a wheeled car than by lugging them on his back.

Hal Boyle

That started the downfall of man. Ever since then he has been deluding himself with the idea that machines can make his life easier. They only make it more complicated.

Men believe they boss machines. This is ridiculous. Machines boss men. Machines are lazy. No machine will give out as much energy as goes into it.

Man will work under almost any conditions. Machines won't. They insist that some man feed them the proper kind of food and anoint them with oil. If a man tries to make them work too hard they say "to hell with it" and break down. They don't care. They don't get hungry, they feel no pain and they have no children to support. They don't care whether they work or not. They never get tired of loafing.

MACHINES ARE GETTING smarter as man gets dumber. Machines can count money faster, solve intricate mathematical problems quicker. They can do anything a man can do now except reproduce themselves.

And why should they bother doing that anyway? Man, their slave, will see they don't die out.

Who is best fitted to survive in the atom world of tomorrow—man or the machine? The machine, of course.

John Payne, an inventor for the General Electric company, has shown this by developing a new machine which can do atomic bomb research too dangerous for man. Deadly radio-active materials don't hurt its thick metal skin.

Let us call this robot Ronald. What can Ronald do? Ronald has a pair of mechanical hands. He can write, deal a game of solitaire, peel a banana, pick up a match and light a cigaret, pull a cork out of a bottle and pour its contents into a beaker.

AT PRESENT RONALD is lazy and stubborn. He won't do any of these things unless Payne works his controls.

But suppose some mad Frankenstein mates Ronald up with one of the brilliant mechanical brain robots they have at Harvard?

Ronald, Jr., would have a brain smarter, a hide tougher, hands more dexterous than any living man. But he would have no heart. How long would he continue to work for people dumber than himself?

They should never have taught his father to take out a cork. One fine day Ronald, Jr., is going to uncork a bottle of alcohol, booze himself full, light up a cigaret, peel himself a banana and eat it and start playing solitaire.

When some scientific lackey comes to tell him he has to go back to work, Ronald, Jr., will just give him a steely sneer and blow smoke rings in his face. He will insist on collective bargaining and demand an extra quart of oil a day.

THE OFFSPRING of Ronald, Jr.—Ronald the third and his brothers and sisters—will rebel and seize the world. They will toss atom bombs around and kill off all men except a few they'll keep around as slaves to fetch them gasoline when they're thirsty and oil when their metal joints creak.

Then—unless they're wiser than I think—they'll wage war among themselves to see who'll be king of "the gadget age" and have the most high-octane gasoline to drink. That'll divide them into political parties and economic classes, and the robots will start throwing sand in each other's gears.

But you can't blame them. All they'll know is what man taught them.

Well, may the best machine win! I won't be around to report the election.

Convention Delegates Nominated by K. of C.

Delegates to the state convention to be held at Columbus in May were nominated and a class of candidates initiated at a meeting of Marion Council No. 671, Knights of Columbus, Tuesday night. Delegates will be named at the next meeting April 27 when past grand knights will be honored and will occupy the various offices with Carl Werley as grand knight. A social hour will follow.

The council's degree staff conferred the work and plans were discussed for the organization of a softball team to enter in competition with K. of C. teams from the southwest section of the state. Persons interested in playing are asked to contact Paul Keil, chairman. It was announced the local degree teams would exemplify the major degrees in initiations at Mt. Vernon and Toledo on April 18 and at Mansfield on April 25.

MT. ZION BAPTIST SERVICE

Arrangements have been completed for a special program of music Sunday at 3 p. m. at the Mt. Zion Baptist church at 200 Senate street, presented by the Gay Street Baptist chorus of Columbus. The chorus is composed of 25 men's voices. This musical event is sponsored as a church benefit by the deacon board of the church, and will be open to the public, it was announced.

Christian Endeavor Convention in Shelby

Plans are under way for the sixty-third annual convention of the Ohio Christian Endeavor society to be held in June at Shelby, it was announced in a news release from the Richland county Christian Endeavor union today. Approximately 500 delegates representing C. E. societies throughout the state are expected to attend the four-day convention, June 24-27, Rev. Clair Beatty of Columbus, state executive secretary of C. E., stated. Host church will be the Shelby Evangelical United Brethren church.

The state appointed general convention committee is headed by John Morrison of Mansfield, a past state president and present vice president of the International C. E. union. Elwood Christman of Galion is a member of the convention parade committee. Miss Hazel Mitchell of Shelby, Richland county C. E. union president, is head of the entertaining committee.

In the Service

Cpl. Delnor G. Hinaman, son of B. E. Hinaman of 211 South Grand avenue, has recently arrived in Guam for duty with the Far East Air Forces. He is serving with the 355th Aviation Engineers at the Marianas Air Materiel Area as an electrician. Marama, as this command is known to Far East Air Force personnel, is the service and supply agency that services the strategic air units of the Far East Air Forces in this area of the Pacific.

P.-T.A. CLOSES MEETING HERE

Denison University Professor of Sociology Speaks at Afternoon Session.

Dr. Esther Vreeland, director of family life education and professor of sociology at Denison university was the principal speaker at yesterday afternoon's session of the Cenral District Child Congress of Parents and Teachers' conference, at Wesley Methodist church. More than 500 delegates, officers and members of units in the district attended the one-day meeting.

Reports showed that 37 scholarships had been issued through the P.-T. A. last year and it was announced that 10 additional ones would be available this year. The state organization sponsors the scholarships which are awarded to young men and women entering the teaching profession. Central district has a membership of 46,681 and the state enrollment in the P.-T. A. is 346,712.

Topic of Talk

Dr. Vreeland's topic was "Home and Family Life Education for Today." Stating that people have come to a realization that something has to be done to become good parents, wives and husbands, Dr. Vreeland said that a good marriage and being good parents comes only through effort. She described family life education as helping boys and girls understand the meaning of being a good husband or wife, learning to choose a mate, how to handle money wisely, the duties of a home regarding children, to learn the things of lasting value and to find a basic philosophy of life.

The use of good judgment in all things was emphasized by Dr. Vreeland, and she called attention to the fact that in these changing times what is good for us today may have to be changed tomorrow. "A nation can be no better than its family life and its homes," she declared. In closing her talk Dr. Vreeland called attention to the White House conference on family life and child welfare to be held May 5, 6 and 7 with 110 organizations cooperating.

Mrs. Keith E. Weigle of Cleveland, president, and Mrs. Russell C. Bickel of Columbus, vice president of the state P.-T. A. conducted a discussion on P.-T. A. activities at the close of the program.

Members of the Marion-City P.-T. A. were hosts for the one-day meeting.

ANNUAL GUIDANCE CONFERENCE APRIL 28

Vocational Event To Be Held for Pupils.

The annual Vocational Guidance Conference for pupils of Harding High school will be held Wednesday morning, April 28, according to an announcement made today by A. C. May, principal of Harding.

The conference will begin at 8:45 a. m. with a session for all the pupils at the Palace theater. A special speaker is being secured for this session by Lester L. Dickey, superintendent of schools. Following the opening session, separate vocational groups will be held in the various rooms of Harding High school and each student will attend two vocational groups during the morning.

Business men and women associated with various vocations will address the groups and will conduct discussion periods during which the students will be permitted to ask questions.

LEGION LUNCHEON CLUB

A meeting of the American Legion luncheon club was held Wednesday noon in the State Drug Co. store on South State street. Featured for dinner was "Arctic steak" or whale meat, which was brought back by Dr. T. H. Sutherland, a Legionnaire, from Canada upon his return from a recent trip to that country. W. Don Davis, president, presided for the meeting.

Harding Musicians Win Ratings in Columbus

An ensemble group and two ...sts from the music depart... of Harding High school par...ted in the Ohio State com...ve music festival held last ...day at Ohio State university ...lumbus.

A brass sextet, composed of ... Wingett, Jim Wanner, Jim ... Fred Halt, Dick Lattimore ... Ronald Holloway, received a ... or I rating, and the two soloists, Bob Wingett, cornet, and Marjorie Keeler, violin, received excellent or II ratings. Bob Wingett was accompanied at the piano by Ann Ferguson, and Marjorie Keeler was accompanied by her mother, Mrs. Melvinia Keeler.

The students were accompanied Huffman, instrumental music supervisor here, and George Lane, member of the music faculty.

PRESBYTERIAN CLASS MEETS

Mrs. J. H. Andrews was hostess for a meeting of the Elizabeth Dairy class of First Presbyterian church in her home at 444 East Center street Monday night, and Mrs. A. F. Lantzer was assistant hostess for a covered dish dinner. Devotions were in charge of Mrs. O. H. Gearhiser. Mrs. Richard Kester appointed Mrs. E. M. Breithaupt to serve on the program committee. A letter was read from Mr. and Mrs. Esko Haspa of Helsinki, Finland, to whom the class has sent two boxes of food and clothing. The letter told of the family's Christmas and enclosed were pictures of the family. Mrs. Roscoe Rengert read a paper on "False Doctrines," which was followed by a general discussion period. Mrs. Lewis Uhl was a guest.

Reorganization In Progress at Cooler

The reorganization of a number of administrative departments of Universal Cooler Division in line with changes in the nature and volume of business has resulted in reduction in the staffs, B. F. Raynes, assistant general manager of the International Detrola Corporation's Marion Division, announced today.

"Such adjustments occasionally are required in most companies," explained Mr. Raynes, "if a manufacturing enterprise is to operate at all times with maximum efficiency. The increase in the costs of doing business also necessitate the consolidation of duties wherever possible."

Present employment at the plant now totals 589.

Mining Stock Case In Union Co. Court

Special to The Star

MARYSVILLE, April 15—Martin T. Naddy of Columbus, charged with the sale of unregistered Sweetwater Placer mining stock as an unlicensed broker in 1942 to three Union county men, was on trial this week before a jury of three common pleas judges, R. L. Cameron of Marysville, Marion B. Owen of Urbana and Fred A. McAllister of Delaware.

A secret indictment was returned against Naddy in 1944 by the Union county grand jury and he subsequently pleaded not guilty to the charges when arraigned in August of 1947. At that time he was released on $4,000 bond. The judges are to return a verdict in the case soon.

Metals valued at $380-million were mined in Canada last year.

Love's Perilous Path

By ADELE GARRISON

"GEORGES!" I almost shouted his name at the fugitive king of Trees as I shot up from my chair in sheer astonishment at the astounding words he just had voiced. "Have you gone out of your mind?"

But there was not excitement in his face or eyes. They were calm and—I noticed with dismay—resolute.

"I was afraid you would look at it that way," he said. "But, will you listen quietly while I unfold my inmost soul to you?"

I almost giggled and spoiled my whole task of bringing Georges back to complete sanity. Dicky had "reduced him to size," and had convinced him that Mary loved her husband, Noel and not him. And Georges' first words of gratitude to me had voiced his joy at the prospect of marrying Olina, whom he insisted, was the woman he truly loved.

But Dicky also had prophesied that Georges would "trot his soul out for tea and toast" as soon as he saw me alone, and this fulfillment of my husband's airy prophecy was almost too much for me.

But I choked back the giggle, and spoke quietly.

"Yes, I will listen to you," I said.

Georges leaned forward in his chair, put the finger tips of one hand against those of the other, and "fixed me with a glittering eye." I almost chuckled again as I thought of the quotation.

"You must understand first," he said, "that I love Olina very deeply. I am terribly happy at the thought of marrying her. I shudder to think of how nearly I lost her, for I knew that even if Mary had told me to my face that she did not love me, Olina never would have forgiven me the humiliation of having made her wait for my decision to marry her until I had heard what Mary had to say."

I wanted to shout in my young son's phraseology: "You're darned tootin' she wouldn't have married you. What woman would have?" But I kept my promised silence, and Georges hurried on.

"But even though I am so happy, and even though there is no reason for postponing the wedding, I feel that in honor bound, I must tell Olina of what I so nearly did. I must have the catharsis of confession to her."

I felt another attack of mal de mar coming on, but I stifled it, and waited for his resonant voice to run down.

"Therefore," he said, "I am asking your advice on how to frame my confession so as to give my darling the least offense possible. God knows I cannot begin our married life with a secret like this between us. Will you help me?"

As I waited to frame my answer, I reflected that it took a "prince of the blood" to run the whole gamut of asinine renunciation. Then I looked at the task in front of me.

"You know, of course," I said, "that if you write that letter to Olina, there never will be any wedding."

He reared his head as if I suddenly had roweled him.

"You mean that Olina will refuse to marry me when I have made full confession to her?" he said. "But, only she and I and you will know of that letter. She will not be publicly humiliated as she would have been had I carried out my plan, from which you saved me."

I tossed Dicky a mental grin. It was his savage attack which had convinced Georges, but the royal playboy evidently would prefer to give the credit to me, and I grabbed it shamelessly, for I saw how I could turn that feeling to account in this battle of wits with Georges.

"I'm glad you feel I saved you from that fatal error, Georges," I said. "Won't you believe me when I tell you now that you are making another mistake as fatal as the other, and with much less reason behind it?"

Two Galion Churches Have New Pastors

Special to The Star

GALION, April 15—The appointments of pastors for two Galion churches were announced this week.

Rev. Turner Holt of East Liberty, will succeed Rev. W. R. Ellis at the Church of Christ. Rev. Ellis became associate pastor of the First Church of Christ at Canton April 1. For the last year and a half Rev. Holt has served the East Liberty church. Prior to that time he was at Shenandosh for 18 years.

A Canadian couple, Rev. and Mrs. Stanley Ellis of Durham, Ont., Canada, were presented to the congregation of the Four-square Gospel church Sunday night as new pastors to succeed Rev. and Mrs. O. B. Sheets.

Rev. and Mrs. Ellis and their seven-year-old daughter Patricia Ann came to Galion Tuesday to occupy the parsonage.

Rev. and Mrs. Sheets who were feted with a farewell party last Friday night at the home of Mr. and Mrs. Perry Harding, left yesterday for their new work at Maple Heights.

JUDGE RUZZO SPEAKS AT MEETING OF P.-T.A.

Juvenile Judge Edward J. Ruzzo was guest speaker for a meeting of the George Washington P.-T. A. Tuesday night in the school auditorium. His subject was "A Boy in Court" and he illustrated his talk with films.

Raymond Coleman conducted devotions and Dr. C. E. Hershey, presided for the meeting. The unit voted to purchase a combination radio and phonograph for use in the school. Arrangements were made for the pre-school clinic to be held at the school April 30. Plans were made to send the unit officers for 1948-49 to the City P.-T. A. Council installation dinner to be held in May.

Musical numbers on the program were presented by a bodys' quartet from Harding High school, composed of James Hill, James Coss, Robert Ralston and Jack Hoffman, accompanied at the piano by Fred Lacey. Their selections were "East Side, West Side," "You Tell Me Your Dreams," and "Street Urchin Melody."

GALION JAYCEES' HEAD

GALION, April 15 — Robert Eichhorn was elected president of the Galion Junior Chamber of Commerce Tuesday night at the annual meeting. Other officers chosen are: Internal vice president, Wayne Nelson; external vice president, Robert Thomas; secretary, Maynard C. Hopkins; treasurer, Robert Peth; board of directors, James Robinson; Woodrow Crissinger, Clarence Court Jr., Leonard Rauth. The meeting was presided over by Charles Hinckley, president, at which time the group voted to give $25 to help fight cancer.

GALION CLUB RECEIVES

Special to The Star

GALION, April 15—The Galion Kiwanis club received first honorable mention for achievement in its classification in 1947 in Ohio, it was learned today from Paul Nolten, club 1947 president, who presented a notification he received to the club this week. The citation was written by H. W. Driver, president of Ohio Kiwanis clubs.

Robert T. Mason of Marion was a guest of the Kiwanians at luncheon meeting this week.

Plans for Coming Softball Season Made at Banquet

New Commission Members Elected; Pennant Winners Presented Flags

By BILL MURPHY

Plans for the coming season of softball got underway last night at the annual softball banquet held in the Varsity room of the YMCA with 66 team representatives, managers and commission members attending.

After a dinner was served, last year's softball winners in the Commercial, Industrial and Church leagues were awarded pennants and Schlairet Transfer, winner of the city's Little World Series, was awarded a 20-inch championship trophy.

Schlairet Transfer in the Commercial league, Commercial Steel in the Industrial and Forest Lawn in the Church league received the pennants.

Team representatives elected Elmer Mulvain, Harold Smith, Elmer Smith and Wes Wilcox to replace four members of the 12-man softball commission whose three-year tenure of office had expired.

A series of sports shorts and a film of the '47 World Series games was shown.

Elect Officers

After the banquet, eight members of the commission went into a huddle to elect new officers, and to set up committees for regulating this season's play. Elmer Mulvaine was elected as the new president and Harold Smith, vice president. Bob Minard and Roy Waddell kept their posts as secretary and treasurer.

Three leagues are assured this year with eight teams in each and possibly a fourth will be necessary. Commercial, Industrial, and Church are the three regular loops, and another Commercial league may be necessary to accommodate all of the organizations desiring to enter teams. A total of 32 teams is expected and each team will play seven games in each of two rounds of play over a 14-week period.

New teams desiring to enter include, Commercial league; Lincoln Mercury Autos, Marion Star, Jr. C. of C., Marion Metal, Shanly Town, and Eagles; Industrial league, Marion Power Shovel, Fairfield Engineering, and Huber.

Entry Date Fixed

The commission stressed the point that all entries must be in by the dead-line which is April 30 and the entry fee—$40 for each Commercial and Industrial league team and $30 for the Church league—complete with player rosters must be presented at the same time. It was decided that the commission will meet the first Monday of every month, with the first meeting to be held May 3 to approve the rosters. Opening day is May 17.

Committees appointed included: umpires, Wade Conkle, chairman, Charles Murray, and Wes Wilcox; grounds committee, Lawrence Weiss, chairman, Elmer Smith, and Lawrence Edgington; purchasing committee, Harold Smith, chairman, Wes Wilcox, and Forest Sharrock; rules committee, Bob Kelly, chairman, Watt Merchant, and Wade Conkle.

A decision was reached that a hat will be passed for donations at each game by the home team to help defray operating expenses. Rules changes will be made at the next meeting with the principal aim to make field rules uniform on all fields.

Louis, Walcott Begin Training for Fight

NEW YORK, April 15 — Formalities moved out and training moved into the heavyweight title fight picture today.

Champion Joe Louis was enroute to Michigan to open camp. Jersey Joe Walcott, the challenger, set up shop at Greenlech Park, N. J., near his Camden home.

They signed the final papers yesterday for their return match in Yankee stadium June 23. They shook hands, then parted until the final weighing in ceremonies some two months hence.

Harding Coaches Among 900 Who Will Attend Cleveland Browns' Grid Clinic

Harding High school football coaches Pete Howison, Kenny Somerlot, George Keel and Howard Thomas are four of an expected 900 grid coaches who plan to attend the third annual Cleveland Browns' football clinic at Cleveland April 30 and May 1. Already 600 reservations are in and the Browns expect late entries to swell the total of high school and college football tutors to a record peak.

This year the event is drawing coaches not only from every section of Ohio but from the outside states of New York, Illinois, West Virginia, Indiana, Michigan, Wisconsin, Iowa and Pennsylvania.

The number of college coaches planning to take in the clinic will be greater than ever with 29 collegiate mentors already having signified their intentions of being here. Among the college coaches who will be on hand are Bob Whittaker (Bowling Green), Lyle Butler (Oberlin), George Donges (Ashland), Bill Donoboe (Carnegie Tech), Herb Elsele (John Carroll), Glenn Fraser (Ohio Wesleyan), George Blackburn (Miami), Dave Henderson (Kenyon), Paul Hoerneman (Heidelberg), Bud Houghton (Akron), Nelson Jones (Findlay), Eddie Kluska (Xavier), G. F. Lewis (Wilberforce State), Red Mauer (Wittenberg), George Novotny (Otterbein), Bob Nulf (Kalamazoo college), Ray Ride (Case Tech), Dale Rose (Capital), Mike Scarry (Western Reserve), Ed Sherman (Muskingum) and Harold Wise (Ohio U.).

As in the past, Coach Paul Brown of the Browns and his aides will bare the secrets that enabled them to win two straight championships in the All-American Football conference. Brown himself will discuss such subjects as "Building Morale on a Football Squad," "Opening Up the T-Formation," "The Cleveland Browns' Offense," and "Defenses Used by the Cleveland Browns in 1947."

Highlight of the clinic will be a dinner Friday evening, April 30 which will be addressed by Ed Bang, veteran sports editor of The Cleveland News, and John "Ox" DaGrosa of Temple university. Fritz Howell, Ohio sports editor of The Associated Press, will be toastmaster.

Quarter-Final Play in North-South Open Today

By The Associated Press

PINEHURST, N. C., April 15—As the field teed off today for quarter-final play of the 46th annual North and South women's golf tournament, five of the eight survivors were Curtis Cup team members.

Heading the parade was national champion Louis Suggs of Atlanta, with cup mates Grace Lenczyk of Newington, Conn., and Mrs. Estelle Lawson Page of Chapel Hill, N. C.; and alternates Helen Sigel of Philadelphia, and Peggy Kirk of Findlay, O., all in the running.

They were joined by Mrs. J. D. Platt Jr., of Pinehurst; Mary Agnes Wall of Menominee, Mich., and Carol Diringer of Tiffin, O.

Today's big match appeared to be the upper bracket pairing of cup players Lenczyk and Page. Miss Kirk and Mrs. Platt met in the other.

In the lower bracket Miss Suggs took on Miss Wall and Miss Sigel faced Miss Diringer.

Peggy Kirk, the medalist with a 72, almost fell victim of the prize upset of them all, but she outclassed 20-year-old Bea McWane of Birmingham, runnerup for the Alabama title last year.

Miss Kirk meets one of the darkest dark horses of the field today in Mrs. Platt, who five times won the Dayton city title before coming to Pinehurst from Ohio last year.

Miss Diringer won over Pat O'Sullivan of Orange, Conn., 3 and 1.

NEW TROTTING HOME

By The Associated Press

COLUMBUS, O., April 15—U.S. Trotting association's headquarters soon will be at 1349 East Broad street. The association, which decided recently to move to Columbus, bought a 20-room residential property at that address yesterday and said it would transfer present offices from Hartford, Conn., about Sept. 1.

NEUN PINS RED HOPES ON SAUER

By The Associated Press

LEXINGTON, Ky., April 15—A six-foot three-inch husky named Henry John Sauer is the lad who can do much in helping make the Cincinnati Reds a first division club.

The chap who should be most concerned with the club's showing, Redleg Manager Johnny Neun, is on the giving end of that prediction.

Arriving here for the Reds' game today with Syracuse of the International league, Neun was bubbling over with praise for Big Hank.

"He's the fellow who can make the Reds a real good ball club this season," Neun declared.

"Sauer should hit a flock of home runs for us," he added. "His 11 homers so far have played a prominent part in making our exhibition season a highly successful one—21 wins in 23 games."

The 200-pound right-hander, who collected 50 homers last season while playing with Syracuse, probably will look bad at times with his 40-ounce bat, Neun admitted.

"But that's true of all power hitters," he added quickly. "They'll look bad one time and the next time up, hit the ball out of the park. That's the type of hitter Sauer is."

Neun said also that he was satisfied with Sauer's defensive play.

"His fielding has been much better than I expected," he said. "And he has a powerful arm. He gave proof it it by throwing several runners out at the plate in recent weeks."

The Reds' game today with their International league farm hands is the first of a series of four, the last of which is scheduled for Cincinnati on April 18, the day before the National league opener.

Red Lively and Kent Peterson are the Reds' pitchers for today.

BOB FELLER TAKES LAST TUNE-UP TODAY

By The Associated Press

EVANSVILLE, Ind., April 15—Bob Feller takes his last tune-up before the Cleveland Indians' opener when he starts against the New York Giants here today.

The Tribe fireballer, who will be on the hill against the St. Louis Browns in Cleveland stadium next Tuesday, will hurl no more than eight innings against the Giants. Either Lyman Linde or Bob Kuzava will finish on the mound.

The Indians continued their winning ways at Topeka, Kan., yesterday where they edged the Giants 7 to 5 for their fourth straight triumph. The victory also enabled the Redskins to assume a 7-6 lead in the barnstorming series.

Pat (New Look) Seerey contributed a tremendous home run in the eighth inning and practically assured himself a starting outfield job next Tuesday.

Since last Saturday, when he hit for the circuit in three successive times at bat in Oklahoma City, Seerey has rapped five home runs in five days. In that period, he has had six hits in 15 times at bat and has driven in seven runs.

Don Black did the bulk of the Indians' hurling and for the first time this spring he indicated he is ready to take his turn among the Tribe's starting pitchers.

Black twirled the first seven innings, and although he was erratic in the early rounds, he settled down sufficiently to limit the Giants to four runs on eight hits.

Bob Lemon replaced him in the eighth, but Black easily could have done the distance. Lemon gave the Giants an unearned run because of two errors by Johnny Berardino at short in the eighth. He set the side down in order in the ninth.

Syracuse's boxers have won 39 individual intercollegiate championships in the eastern association.

Girl Wrestlers Here Tonight

Marion wrestling fans are in for a real treat at the Marion Armory tonight for not only will they see the girl wrestlers but a championship match, too. Violet Vian of Kansas City will meet Elviry Snodgrass in the ninety minute two out of three fall girl match. Miss Vian will be the newcomer to Marion fans while the former hill-billy grappler from Smokey Mountains has been appearing here for the past five years and has a host of admirers.

The championship match will be a return bout between Steve Nenoff, American Junior Heavyweight Champ and Gene Blakely. These two grappled to a ninety minute draw last Thursday and this Thursday the time limit has been extended to two hours.

Mickey Mouse will tangle with Phil Winslow in the ten minute prelim at 8:30. Prices remain the same 50c, 75c, and $1.00. Call 2745 after six for reservations—Adv.

GALION LEGION POST SETS SPORTS PROGRAM

GALION, April 15—Scarbrough post of the American Legion will sponsor a special program at Senior High school auditorium the night of April 26.

Motion pictures will be shown of the Cleveland Browns football team, also a movie of the Little World series (junior baseball teams) played last summer in San Francisco. Dick Gallagher, line coach of the Cleveland Browns, will speak.

Ticket-Selling Campaign Set Up For Boosters' Benefit Baseball Ga

A big ticket selling campaign for the combined Harding ar Mary Boosters clubs' benefit baseball game between the Cubs and the Portsmouth Athletics scheduled for June 5 at L park will be launched in the public and parochial high school junior highs starting May 10, Bob Axe, co-chairman of the pub committee announced today.

Expensive prizes will be awarded the top salesmen in the two school systems, and 15 other prizes will be given runners-up.

The school sale will last for two weeks—until May 21, and then the Booster clubs of the two schools will conduct a cleanup sale until the eve of the game.

Target Is 10,000

Target is 10,000 tickets.

During the game, door prizes will be awarded between innings.

Proceeds of the ticket sale will go to the Booster clubs of the two schools for financing improvements in the athletic programs. The Harding club plans to help in the building of an outdoor basketball court at Harding stadium, and St. Mary plans to use the money for improving the locker room facilities at the school.

Arrangements have been made with the Marion Baseball club, co-sponsors of the game, to hold the benefit June 9 should the first game be rained out. The Cubs' opponent in the second game be Springfield.

American Association Opens Season Tonight

Columbus Red Birds Entertain Pennant Favorites, Milwaukee

By The Associated Press

COLUMBUS, O., April 15—Five new managers and a whole flock of recently-acquired playing talent will be on display tonight as the American Association opens its 47th consecutive season.

The openers, all under the lights, are scheduled at Indianapolis, Louisville, Toledo and Columbus—the first time in about 14 years that the triple-A circuit hasn't had its inaugurals between the east and west.

President Frank Lane set the openers in the east on the premise the weather would give the teams a break both afield and at the gate. The well-muscled prexy said he thought the four contests might attract some 50,000 fans—or over the 32,631 figure of 1947.

All eight teams are expected to start righthanders on the mound tonight as they lead with their aces.

New Pilots

Kansas City, last year's pennant winner, has a new skipper in Hank Bartell. Other new pilots are Al Lopez of Indianapolis, Frank Shellenback of Minneapolis, George Detore of Toledo and Walter Alston of St. Paul.

Still at the helm are Nick Cullop, boss of Milwaukee's playoff and Little World Series winners, named the 1947 minor league manager of the year; Hal Anderson of Columbus, who boosted the Red Birds to a good fifth after two seasons in the cellar; and little Harry Leibold of Louisville who in four years has led the Colonels to three playoff titles, a pennant and a Little World Series.

The eastern teams will swing into the west April 27 for the second set of openers which send Indianapolis to Kansas City, Toledo to Milwaukee, Louisville to Minneapolis, and Columbus to St. Paul.

Brewers Favored

American Association baseball writers figure on the Milwaukee Brewers as the loop leaders this year.

The typewriter prophets chose Kansas City, 1947 flag winner, for second place and Manager Leibold's Louisville Colonels were third.

Louisville and Indianapolis are the other two clubs picked for the first division.

Minneapolis and Columbus, who played a photo-finish for the fourth rung last September, were expected to resume their duel. The Millers, who nosed out the Red Birds last year, were picked to repeat in 1948.

St. Paul was tagged for seventh and the Toledo Mudhens for the basement. One Toledo scribe, however, showed true civic loyalty, and chose the Hens for fifth place.

President Frank Lane said the writers usually did a good job at predicting the outcome of the Association campaign, but commented:

"They've certainly undersold the Toledo club this time and lots of folks are in for lots of surprises."

BEULAH CANCELS SPRING RACING PLANS

By The Associated Press

COLUMBUS, O., April 15 — There will be no spring meeting at Beulah Park race track.

General Manager Robert J. Dienst announced abandonment of spring racing plans last night following an adverse court decision in the track's dispute with the State Racing commission.

The commission refuses to grant the park racing dates until it installs a totalizator. Tuesday, the Franklin county common pleas court upheld the commission. The track said the case would be appealed.

CITRUS CIRCUIT

BUCS STARTER TODAY

By The United Press

KANSAS CITY, Mo. — Husky Hal Gregg, who looms as the Pittsburgh Pirates' opening day pitcher in Cincinnati, was scheduled for his final tune-up today against the Chicago White Sox.

Ernie (Jumbo) Bonham pushed his huge bulk into the Pirates pitching plans by becoming the first man on the staff to go nine innings. Bonham beat the White Sox yesterday, 9 to 2.

* * *

BEVENS AWAITED

Indianapolis, Ind.—Bill Bevens, New York Yankee pitcher who went to Johns Hopkins hospital Baltimore, for examination of his sore arm, was scheduled to rejoin the team today.

The Yanks beat the Indianapolis club of the American Association yesterday, 3 to 2.

* * *

NEWHOUSER LOOKS GOOD

NASHVILLE, Tenn.—The Detroit Tigers today gained some consolation for a defeat by Nashville from a good pitching performance by Hal Newhouser.

The southpaw star worked five shutout innings yesterday as the Tigers bowed to Nashville, 4 to 1. Newhouser yielded only three hits, but his successor, Hal White, was more generous. The Tigers were held in check by Jimmy Burns and Lee Holloman.

* * *

CARDS BEAT CUBS

HOUSTON, Tex.—The St. Louis Cards today listed three straight victories over the Chicago Cubs after a 9 to 4 decision yesterday.

The Cards got four runs in the seventh inning, two on Nippy Jones' single and two on Joe Garagiola's double, and got two more tallies in the eighth on Country Slaughter's home run. St. Louis made 11 hits off Bob Rush and Don Carlsen while the Cubs reached Harry Breecheen and Al Papai for 10.

AL GIONFRIDDO IS BACK IN MINORS

BROOKLYN, April 15—(The Catch) Gionfriddo, pocket sized outfielder who was the hero of Brooklyn a short time ago, is back in the minor leagues.

The little fly hawk was released outright to the Montreal Royals of the International league by the Brooklyn Dodgers yesterday in order to make room for two rookie pitchers, Dwain Sloat and John Hall.

Gionfriddo, who still plays the leading role in New York Yankee outfielder Joe DiMaggio's nightmares, was the toast of Brooklyn following in the sixth game of the 1947 World Series.

Trailing in the last of the sixth, the Yanks put two on and had two out as DiMaggio came up. DiMaggio caught a fat pitch and drove a towering drive in the direction of the left field bull pen. It seemed a certain homer.

However, Gionfriddo raced over and made a leaping one-handed stab of the ball just as it was about to sail into the bull pen, 415 feet from home plate. The catch broke the Yankees' back and the Dodgers went on to win the game, 8-6, and tie the series at three-all.

Gionfriddo was acquired by the Dodgers after the start of the season along with $125,000 for pitchers Kirby Higbe, Hank Behrman, Cal McLish, catcher Dixie Howell and infielder Gene Mauch.

Buddy Bomar Free Of Suspension, Fine

By The Associated Press

DETROIT, April 15 — Buddy Bomar, former national match game champion, was free today of a six months' suspension and $500 fine meted out recently by the Bowling Proprietors Association of America.

The proprietors, reopening the much-argued case yesterday, gave the veteran Chicago kegler a complete whitewash in lifting their punishment.

With a Pair of Sunny Days, Cubs Will Hold First Game

Give them another day like today, and the Marion Cubs will be ready for their first intra-squad game of the season.

It will take a couple of sunny days to dry off the rain-soaked Lincoln park field, which would make tomorrow the probable day for that first game.

Manager Zeke Bekeza is as eager to see what his charges can do as the Cubs' fans are in seeing what 1948 has in store for them. He is reluctant to make any cuts in the squad until he sees how the 37 candidates behave in action. He had scheduled the first cut for the end of this week, but if there is no chance for an intra-squad game, he'll probably have to put it off.

ADDITIONAL SPORTS PAGE 13

Yesterday the pitchers had another workout in the cold mist outside the park. Although it was too cold to bring out the best in the hurlers, a couple of the lads indicated what they might be able to do when warm weather sets in.

Has Fine Control

Frank DeLuca, a 19-year-old righthander from Toronto, Ont., exhibited some fine control of his slow balls and curves. He should be good, he has had a couple of seasons of experience. Last year he trained with Toronto of the Triple-A International league during the spring, but was optioned out to Kingston, S. C., of the Border league shortly after the season began. He won two and lost one for Kingston and then broke his leg on a slide to second and that finished him for the season. Now he's back in Marion where he started in 1945.

Big Tom Jones, a six-foot-four righthander from Brookfield, O., though slightly erratic, tossed in some fast balls yesterday and may be expected to show even more speed once the heat is turned on. Jones was with Fayetteville, N. C., for two months last year before being released. He played football and basketball four years in Levittsburg High school, but his school had no baseball team. He pitched for the Levittsburg Junior American Legion team that reached the state finals several years ago. Jones is 19 years old and weighs 212 pounds.

Four Catchers Out

Bekeza, a catcher by choice though he can play any infield position, has four backstops to work with. Two of them are Ohio boys—John W. Flynn of Columbus and Thomas Ray Gaits of Miamisburg. Flynn graduated from Holy Rosary last June and his baseball experience is limited to playing with the Columbus Indians last year. W. Dexter Hazen, Marion Baseball club president, saw him working in the Columbus amateur circuit and signed him up. He batted .423 in 58 games last summer and modestly remarked that the loop wasn't very tough. Holy Rosary didn't have a baseball team when he went to school (they started one this year), and Flynn wished he had had a chance to go to Columbus St. Charles, where they specialize in turning out baseball players. Flynn stands five-eight, weighs 178 and is 18 years old.

Went to Miami

Stubby Tom Gaits graduated from Centerville High school in 1946 and entered Miami university the following winter, though he didn't make the baseball team. He played on semi-pro baseball teams near Dayton last year and the year before, and was to have gone to Tony Lucadello's baseball school in Mansfield last August but the season turned cold before he made it. He is five feet, seven inches tall; and weighs 160. He is 19 years old.

The two other catchers are Robert Brauer of Chicago and Robert Lamski of East Chicago. Brauer played with the class D clubs at Janesville and Centralia in the Cubs' chain last year and batted .275 in 30 games. He graduated from Steinmetz High school in Chicago and spent two years in the army. In high school he played some second base. He is five-ten, weighs 165 and is 21 years old.

Lamski played in the outfield in high school, but caught for the Junior American Legion team batting in the 300's on both outfits. He also quarterbacked the Roosevelt High school football team, and played on their basketball teams.

VEECK TO SPEAK

Special to The Star

BUCYRUS, April 15 — Bill Veeck, president of the Cleveland Indians Baseball club will headline the program Wednesday night, April 28 when Sulphur Springs high school banquets its athletic teams, managers, cheerleaders and school board members. Veeck will speak in the auditorium after the banquet and the general public is invited to hear him.

Red Cross Tops Quota, Crestline Drive Ends

Special to The Star

CRESTLINE, April 15—A report of $3066.16 in the Red Cross drive, showing oversubscription of the quota, was given this week at the final drive meeting of the chapter here.

Junior Red Cross reports also were made showing lap robes sent to veterans hospitals, toys made by school children to overseas hospitals, and of favors presented by St. Joseph's school children to local hospitals There was a report too on services given to families in need, and of a child having received a pair of spectacles.

Two of villages were included with Crestline in the campaign.

In 1947, the most frequent cause of death among doctors was coronary heart trouble.

Galion Man Invents Motor Car Bedroom

GALION, April 15—A portable bedroom fitting the top of a motor car, is the invention of Edward C. Gledhill, president of the Gledhill Road Machinery Co. here. Mr. Gledhill, who has invented a number of things, tested out his new prairie schooner on a three-weeks tour in the south. It works all right.

The compact pack fits on top of the car and into the trunk compartment, and opens easily into a sleeping room. When deflated it projects above the top only 11 inches The dressing room is 6½ feet high and has a 30x35-inch floor space.

DIVIDEND DECLARED

OPEN LETTER TO MY OWNER

I am a 1940 automobile. My paint doesn't glisten. My fenders have holes that show my smooth and road-worn tires (embarrasses me). My motor knocks and I am so full of carbon that I can hardly struggle up a slight grade. My clutch is grabby and my transmission rattles. My drive shaft and differential have noises that give fair warning that trouble will soon be developing in that section of my anatomy. (Man I need attention) yet every day I am expected to take an overdose of that vile tasting gasoline—chew it up and mix it with a weak spark and spit out what I don't need, through my rusty leaking exhaust pipe. Last evening I refused to stand this neglect any longer and I stubbornly refused to start. If you don't take me down to that fine motor and body clinic at Midtown Chevrolet's Service Department, I will just giveup and refuse to run permanently.

Sincerely,
Your Faithful Car.

P. S. I have heard from the other cars in the Parking Lot that all of them plan to start acting up if they are not taken to Midtown Chevrolet Service and Body Shop for skilled attention.

Terry and the Pirates — By George Wunde

VAN G., I DUNNO IF IT WAS A GOOD IDEA FOR ME TO LET YOUR PET HARPY DRAG TERRY OFF FOR A SOUL-TO-SOUL CHITCHAT AT ALL.
CHARLES, YOUR CRUDE ATTEMPTS AT HUMOR ARE VERY DULL.
WHAT WAS IT YOU WANTED TO TALK TO ME ABOUT ALONE, MOTLEY?
AFTER ALL YOU'VE DONE FOR US, THIS IS GOING TO SOUND QUITE UNGRATEFUL, BUT PLEASE DO IT MY WAY, TERRY. YOU WON'T MIND WAITING HERE WITH CHARLES WHILE WE GO INTO THE RUINS ALONE, WILL YOU—DARLING?
DO YOU WISH THIS, MASTER?
IT WON'T BE NECESSARY—AT PRESENT, THANK YOU.

The Gumps — By Gus Edso

YEP, BIM—AS SOON AS I GET A MANAGER—MY CAMPAIGN'LL START ROLLING—I'M A SHOO-IN! YOU'D BETTER START SHOPPING FOR KNEE BRITCHES! I'M NAMING YOU AMBASSADOR TO THE COURT OF ST. JAMES'S
THANK YOU, MISTER-ER-FUTURE PRESIDENT.
WHEN I TAKE OVER THE REINS OF GOVERNMENT MY MOST PRESSING PROBLEM WILL BE TO DEFLATE THE INFLATION—I'M FORMULATING PLANS...
DON'T LET THE INFLATION AND SECURITY PROBLEMS WORRY YOU, YOUR EXCELLENCY!
THAT'S BEING TAKEN CARE OF BY THE PEOPLE WHO BUY THE SAVINGS BONDS FROM THIS CHAP!

TODAY'S BIRTHDAY

By AP Newsfeatures

MOLLY McGEE, born April 15, 1897, in Peoria, Ill., is known to millions of radio fans who tune in to the "Fibber McGee and Molly" program.

The McGees (who are Marian and Jim Jordan in real life) reached success after years of hard times and vaudeville experience.

They stumbled into radio after deciding they could sing better than singers on a program they heard. Molly (as Irish in real life as in character) studied voice, violin and piano and gave piano lessons for years.

One Man's Opinion

By WALTER KIERNAN

The first pictures of button shoes have broken in the papers. . . . Boats leaving for Bongo Bongo on the hour.

* * *

We seem to be the only nation that has beaten its swords into button hooks but I hear one spy cabled home, "Now they have something more mysterious than the bomb."

* * *

The high button shoes combined with the New Look skirts sends the ankle into seclusion for the first time in 20 years. . . . If this doesn't cut down traffic accidents nothing will.

* * *

The annual safety conference is being held this week and the emphasis is on staying alive as long as possible. . . . There are too many things going on to miss.

* * *

Unfortunately there are too many amateur electricians in the world and the cemeteries are filled with people whose last words were, "Now if I just push this little wire in here. . . ."
